EDITORIAL

The name of Mary Millington lives on. And on. And now we are delighted to report that a film has been made to tell the really amazing story of her life, right up to – and including – the bizarre circumstances of her untimely death. It's called MARY MILLINGTON'S TRUE BLUE CONFESSIONS, in which the role of Mary is played by a young actress who bears at times an uncanny resemblance to the late, lamented Glamour Queen. The film is sponsored by the publishers of WHITEHOUSE magazine which – very appropriately – is Britain's most controversial publication. They are determined to make MARY MILLINGTON'S TRUE BLUE CONFESSIONS the ultimate tribute to this remarkable young woman and, in true Whitehouse tradition, no attempts have been made to censor any of the sex scenes. Because of the explicit nature of this film, there is no guarantee that it will ever be shown in the U.K., though we urge you to see it should ever the opportunity arise.

Another new sex film that definitely IS being shown here is COME PLAY WITH ME 2, outright winner of the Golden Rose Award at the recent Copenhagen Sex Film Festival. It's a follow-up to the highly successful COME PLAY WITH ME, Mary Millington's first film, incidentally the longest-running film EVER in the West End. However, COME PLAY WITH ME 2 bears no resemblance to its predecessor, as it was made in Hamburg by top porno outfit Tabu Films, so if you're already familiar with their line of products, you'll know just what to expect! COME PLAY WITH ME 2 is showing exclusively in:

LONDON: Moulin Cinema, from 31st July and BLACKPOOL: Studio Cinema, from 28th August. Also showing at these Cinemas: MANCHESTER Cameo, 3rd Aug. CARLISLE: Studio, 17th Aug. GLASGOW Classic Grand, 24th Aug. EDINBURGH Classic, 24th Aug. NEWCASTLE Studio, 24th Aug. BLACKPOOL Studio, 28th Aug. LEEDS Plaza, 7th Sept. STOCKPORT: Classic, 14th Sep. SHEFFIELD Classic, 14th Sept. ROTHERHAM: Classic, 14th Sep. BRISTOL: Studio, 23rd Oct.

And now from films to magazines. PORNO magazines! The latest, hottest title in the shops at the moment is WHITEHOUSE COLOUR DIGEST, a pictures-only magazine with no silly, rip-off ads and 3rd-rate stories AT ALL! Just page after page of gorgeous young girls getting it on with big-dicked guys – and sometimes taking on up to 3 at a time! A few months ago a Government report stated categorically that pornography did no harm whatsoever and, furthermore, should be made available to those who wanted it. So now, as a result of this committee's findings and recommendations, the publishers of WHITEHOUSE COLOUR DIGEST (the same people who are behind Whitehouse) make it available, TO YOU! It costs £1.50 (all colour close-ups and no ads, remember) and if it's too strong for your local newsagent you can always get it from your nearest PRIVATE shop (see latest list below), or via mail order from: WHITEHOUSE COLOUR DIGEST, 34 Upton Lane, London E.7. at £1.75 including carriage or £10 for a whole year's subscription.

STUDIO BLUES

We all like looking at photographs of naked women in girlie magazines. But what about the men who take those photographs. Do they fuck with the models, or is it just another job to them? We asked Graham, a well-known glamour photographer to give us the low-down on what goes on in the studio during a modelling session.

Well, I'd like to say that business is business. I earn my living by taking photographs of women, naked women. I take my job very seriously, and I reckon I take very good pictures. But that doesn't mean to say that I don't have fun once the session is over.

Mind you, I don't fuck with all the models, if I did I'd be knackered and in no fit state to run my business, for I photograph about twenty different models a week, and even for me, fucking with that many women would be impossible.

The easiest way to describe the sort of fun I have is to tell you about a typical modelling session in my studio. I'll tell you what happened last Tuesday, as that will give you a fair idea of what goes on once I've put the camera down.

Jean was booked in to do a session for me. I'd been asked to do some rather erotic pictures for a German magazine, and Jean was ideal for that type of work. She was sexy, didn't mind how hard the poses were, and she was also very lovely.

Jean is twenty three years old and has a great figure, the sort of figure that the German's really go for, big breasts, jutting nipples, long legs, and really pouting cunt lips.

We took some really good shots of her sitting on a chair holding her cunt lips wide open with her fingers, then we took some shots of her wanking herself off with a thick candle, then some of her sucking her own tits. You know the sort of thing I mean.

Well, at the end of the session her juices were bubbling from her pussy hole and she was very worked up indeed, and so was I.

"Feel like a fuck?" I asked her.

She nodded. "Yes," she replied. "Wanking off with that candle and then sucking at my own tits has really got me going. I could do with a good fuck."

She stayed where she was on the bed at one end of the studio and I walked over to her and then took off my clothes. My prick was already stiff and hard and when she saw just how hard a gleam of lust appeared in her blue eyes.

I got on the bed with her and she reached out and curled the fingers of her right hand round the base of my shaft, and I kissed her on the mouth, and at the same time I eased two fingers into her pussy hole and started to wank her off.

Her pussy is very tight and very hot, and it is a real pleasure to sink your fingers into her. She came very quickly as my fingers probed and prodded and explored the inside of her wet cunt, and all the time she was running her fingers up and down my shaft and sighing with pleasure.

I then pulled my fingers from her hole and licked the juices from them. That's another thing I like about Jean, her cream is very salty and I love drinking it down.

I should add that she also loves the taste of her own pussy juice – most sexy women do – and she pushed three fingers into her cunt, moved them round inside herself for a little while, then she pulled those sticky fingers out, popped them into her mouth and sucked them dry, and the mere fact that she was drinking down her own cream gave her another orgasm.

I sucked her out after that, for I wanted to get more of her cream into my mouth, now she liked having a man's head buried between her thighs like most women do, but I knew, from past

"I OPENED MY MOUTH AND SHE LOWERED HERSELF DOWN A LITTLE WAY THEN SHE PUSHED THREE FINGERS INTO HER PUSSY HOLE AND STARTED TO WANK HERSELF OFF..."

experience, that Jean liked to be sucked out another way.

So I stretched out on the sheets and told her I wanted to suck out her pussy, and she smiled, then she moved round and crouched over my face.

I opened my mouth and she lowered herself down a little way then she pushed three fingers into her pussy hole and started to wank herself off, and this meant that her thick juices streamed down all over my face and into my open mouth.

She did this for a little while, frigging herself to orgasm after orgasm, and then she sat right the way down on my face so that the sticky folds of her cunt lips covered my mouth and my nose.

Her lips were very floppy and very wet, and I could hardly breathe. But that didn't matter, for she tasted beautiful. I opened my mouth again and this time I pushed my tongue up into her wet hole and started to suck out that wonderful cream of hers.

She wriggled about on my face as my tongue went up into her cunt and she yelled and screamed with sheer joy. I was really amazed at the vast amount of hot juice that spurted from her hole. I'd sucked her out many times before, but the amount of juice she was producing this time was really incredible. She was juicier than I had ever known her to be before.

I sucked her out for some time, and every now and then I would flick the tip of my tongue all over her hard clit, and every time I did this she seemed to have an orgasm, and every time she came her juices boiled up even more as they gurgled into my mouth.

She then moved from my face and she smiled when she saw just how much of her cream was sticking to me, and she bent over and then used the tip of her tongue to lap up that juice from every single part of my face.

Well, by this time, my prick was just about fit to explode, and I was dying to sink it into her pussy. So I rolled her over on her back and then got on top of her, and I stretched out so that her heaving breasts were crushed by my chest and so that the hard points of her nipples were pressing into my skin. I don't know about you, but I do love to feel nipples pressing into me and breasts crushed against my chest.

I eased my thick cock into her cunt, eased it right the way in till my glans was hard against the very limits of her tight hole.

She loved that, she gasped out something about feeling really full in there, and then she began to jerk her hips and bum up and down very fast indeed. That set the tone for the whole fuck, it was so obvious she wanted it hard and fast and that is how I gave it to her.

I powered in and out, I shafted her hard and deep, my glans battering away against her sticky cunt walls, my shaft rubbing against her erect throbbing clit, and she loved every single second of it, and the harder I fucked her the more she liked it, and the faster I went the more climaxes she had.

We went at it like the clappers, her bum working up and down, my cock blasting in and out, her fingers clawing at my flesh, my balls slapping against her sticky pouting labia. Yes, it was a great fuck, one of the best that I had ever had.

I let her finish me off. You see she is famous in the modelling world for having this amazing control over her cunt walls and pussy muscles. So what I did was push my cock deep into her cunt and then stop moving. I just stretched out on top of her, not moving at all, my glans pressing against her very depths. I just waited for her to bring me to a climax in the way in which she is famous.

First of all she rippled her cunt walls up and down my entire shaft. How she managed to do that I'll never know, but those ribbed fleshy walls went in a wave like motion up and down

"HER FINGERS WERE JUST A BLUR AS SHE PLOUGHED IN AND OUT OF HER CUNT, AND HER BREASTS WERE JOGGLING UP AND DOWN AND HER RED NIPPLES WERE AS STIFF AS HELL..."

my hard shaft.

Then she squeezed at the head of my glans with the pussy muscles deep in her hole. Yes, she clamped that flesh tight round my swollen knob. Then, at the same time, she rippled all her other cunt muscles up and down my shaft again, and that wasn't all. Somehow she got her vaginal lips into the act and they clamped down round the base of my shaft and the suction from them was out of this world.

Like I said, I didn't have to do a thing, I just lay there and she worked those cunt muscles of hers up and down and around my thick hard shaft and swollen glans.

Then I gasped, for she had clamped down even harder and my prick seemed to explode. My seed gushed out in a thick hot stream into her cunt hole.

She closed her eyes, her back arched, her body convulsed, and she let out this great wailing sobbing sound of pleasure as her own orgasm burst through her.

She writhed and twisted and shouted, but even though her orgasm was very intense, she still managed to keep those cunt muscles of hers working on my cock, and she kept them rippling and sucking till I was drained as dry as could be, till my cock went very limp inside her pussy tube.

I pulled my cock out while she was still moaning with pleasure then I picked up my camera and took a few very good shots of her with the sperm trickling from her swollen pussy lips, and I managed to sell those pictures for a great deal of money.

But, like I said at the beginning, I don't always get to fuck with the models who come to my studio. There was one girl called Tracy who would do everything but fuck. She would suck me, I would suck her, but she would never let me get my cock inside her cunt hole.

Mind you, she did have one thing going for her that I liked a lot. She used to love to have my sperm going all over her face. Yes, that's right, she loved me to wank myself off and shower my sperm all over her face.

Let me tell you about the last time Tracy came and modelled for me, and then you'll see what I mean. I was taking the usual very erotic shots of the inside of her quim, then I took a few shots of her wanking herself off with her fingers, and at the end of the session I saw there was a look of lust in her eyes. I knew what that look meant.

"Wank off over my face," she said, as I put my camera down after taking the last shot of the inside of her cunt hole.

She was already naked and so I took off my clothes and flashed my stiff cock at her. We did it in the way she liked best. She knelt on the floor, her thighs wide apart, and she slipped three fingers of her left hand into her cunt hole and started to wank herself off.

I stood in front of her so that my thick cock was just above her head, and she turned her face up then and I aimed my cock right between her eyes.

I then took my shaft in my right hand and started to work my foreskin backwards and forwards as fast as I could go, all the time keeping my swollen glans pointing right between her lovely twinkling eyes.

She was wanking off hard, and so was I. My hand was wanking fast, her fingers were just a blur as the ploughed in and out of her cunt, and her breasts were joggling up and down and her red nipples were as stiff as hell.

She came first, and she pulled her fingers from her cunt hole, licked them clean and dry in her mouth, then she used that hand to take hold of my hanging balls and she gave them a good squeeze.

Her eyes were wide open, and so was her mouth, and she was shivering with emotion as she watched me wank myself off, and by this time my glans was no more than two inches from her pert tip-tilted nose.

Well, what with her pulling at my balls, what with the sweet scent of her cunt cream reeking round the place, and what with me wanking off very fast, I soon came.

My slit opened up in my glans and this hot stream of spunk came blasting out, and it splattered all over her face. It hit her right between the eyes – which is where she loves it – and then that sperm of mine trickled down her nose and dripped from her chin.

I kept pulling at my cock and then started to wave it about so that the remainder of my spunk went over her cheeks and in her hair, and she loved it. She started to orgasm, and she had many of them as my sperm flowed and showered all over that very lovely face of hers.

I stepped back and looked at her. You know, I think the sight of spunk swimming and dripping from a woman's face has just got to be one of the most erotic sights in the world. I took advantage of it, I picked up my camera and blasted of a roll of film.

She stood up, she was still shaking and gasping from her orgasm, and that sperm was still dripping from her chin, and it wasn't the only thing that was dripping, for her cunt lips were gaping wide open and a thick stream of cream was coming out and splattering onto the floor. A very lovely sight indeed.

She reached up with her right hand and wiped some of the spunk from her left cheek, and she wiped up quite a lot, then she did what she always does after a session like that, she popped that sperm coated finger into her mouth and sucked it dry, and I took a few pictures of her doing that.

Yes, I've had all sorts of models in my studio, straight ones and kinky ones. One of the kinkiest was a girl called Kate, now she was one hell of a woman. Tall, with long blonde hair, large ripe tits, good floppy pussy, and she would do anything to get an orgasm, and I do mean anything.

I always use her for my really hard porn photographs. I've had her sitting in front of me in the studio wanking herself off with a cucumber, and you don't get much kinkier than that.

I always fuck her after a session. She expects it, in fact if I didn't fuck her then I don't think she would work for me again. I think her entire life was devoted to getting as many cocks into her

"I GOT SOME GREAT SHOTS OF SUE'S TONGUE FLICKING IN AND OUT OF KATE'S HOLE. SUE LOVED DOING THAT TO ANOTHER WOMAN, SHE WAS REALLY KINKY..."

hot little cunt as possible.

She also liked to make it with another woman, and a couple of weeks ago I booked her and a girl called Sue for a lesbian spread which was needed for a French magazine.

Sue and Kate knew each other quite well, and they soon got down to it on the bed in the studio while I snapped away with my trusty old camera.

Sue went down on Kate, and I got some great shots of Sue's tongue flicking in and out of Kate's hole. Sue loved doing that to another woman, she was really kinky about the taste of another woman's cunt cream. She would have sucked away all day long inside Kate's quim if I'd let her.

Kate loved sucking Sue out as well, but what she liked doing most to another woman was wanking her off with a candle, so for the next series of shots I had Sue stretch out on the bed with her legs wide open and then I handed Kate the biggest, thickest candle I could find.

Kate smiled when she saw how big that candle was, and Sue shivered with excitement. Kate then started to rub one end of the wax thing up and down Sue's cunt lips, and it wasn't very long before Sue's pussy was streaming with bubbling cream, and that cream was spurting out all over the sheets on the bed.

Kate grinned and licked her lips, then she very slowly inserted that very thick wax stick all the way into Sue's cunt hole, and all the time I was taking some very good close-up shots of what was going on.

Sue yelled with delight and joy as that candle went all the way into her tight hole, and she had many, many orgasms as Kate started to wank her with it.

Kate really hammered that thing in and out of the other girl's cunt hole, I was amazed at how far in that candle went, but not so amazed that I forgot to take some first class shots.

After about five minutes, after Sue had had a multiple climax, Kate pulled the candle out and then she held it up to her face, stuck out her tongue and lapped up every last drop of Sue's juices from it.

I then took some shots of them in the 69 position, and they were the best of the lot, but even after I'd put my camera down, even after the session was over, those two girls were still so worked up that they carried on fucking with each other. Well, there was only one thing to do, wasn't there? I took off my clothes, jumped on the bed, and joined in.

I shoved my tongue into Sue's cunt and started to suck out her cream as fast as I could go, and Kate moved round and started to use her tongue, lips, and gentle fingers on my prick and balls.

Soon all three of us were really worked up, and my cock was as hard as it had ever been. Kate then suggested that she and Sue suck me off at the same time, and I wasn't going to argue with that suggestion, was I?

They moved down my naked body and licked at my shaft. Now having two tongues going up and down your prick and all over your balls at the same time is something really fantastic, and what added to the thrill was that every now and then the two girls would stop licking at my cock, bend over, and kiss each other on the lips. That way they shared out the salty taste of my cock between them, and how they did love the taste of my cock.

They worked well as a team, they shared out my cock and balls between them and it wasn't long before my prick was coated with their saliva. Then Kate took my knob right to the back of her mouth, and at the same time, Sue went down and sucked hard at my balls. Now they were really getting down to the business in hand, it was obvious that they both wanted my spunk out of me as quickly as possible.

They took it in turns to suck my glans and my balls, and then Sue took my cock inside her mouth and rubbed it round her cheeks and flicked at it with her tongue, and at the very same moment, Kate managed to take both my balls into her mouth at the same time and she slurped away for all she was bloody well worth.

I jerked, I shouted, I convulsed, and I quivered and then my sperm hurtled out into Sue's sucking mouth, and she had an orgasm on the spot when she felt just how much sperm was gushing into her.

She sucked and swallowed, but she didn't swallow it all down. No indeed, she saved some for Kate, and how she gave Kate her share also gave me some great pictures, for I jumped off the bed and took some lovely shots of what happened next.

And this is what happened. Kate stretched out on the sheets and opened up her lovely mouth. Sue bent over her, her cheeks bulging as she held my spunk in there, and then she opened her mouth and allowed my sperm to drip out and trickle down into Kate's mouth. As I said, I got some great shots of that.

The two girls then wanked each other off with candles while I recovered from that great sucking off, and then, when my cock was hard again, I jumped back onto the bed and fucked with them.

We became a tangle of naked bodies, and my cock went into Sue's cunt, then into Kate's cunt, then into Sue's cunt again. I was almost fucking them both at the same time, for no sooner had I taken my prick from Sue's cunt than Kate would get on top of me and bounced up and down,

SUE & KIM & ME

Two girls at the same time. Two lovely naked women in bed with me at the same time. It was a dream come true. Come to think of it I suppose that every man wishes he could bed down two sexy bisexual women at the same time. Well, it happened to me, and this is how it happened.

I was on holiday in Spain, the hotel wasn't bad, but the food was terrible. Real ugh!! This meant that I took most of my meals out.

Well, I was in this bar, having a quiet drink, and minding my own business, when these two English birds sat down at the next table and I couldn't help overhear what they were saying to each other. I gathered from what they were saying that one of them was called Sue, and the other one was Kim.

"This holiday is a right drag," said Sue.

"You can say that again," replied Kim. "I haven't seen a decent looking bloke all week."

"I'm dying for a good fuck," breathed Sue.

"You and me both," answered Kim. "We've fucked with each other all week, and although I like sucking out your cunt, Sue, like it very much, I'd still like to get a nice cock inside my pussy hole."

"I agree," said Sue. "If we could find one man with a nice big cock we could share him, we could go to bed with him at the same time."

"Yes," nodded Kim. "A threesome would really be nice. But the man would have to have a really big cock to satisfy both of us at the same time."

Their conversation was making me very horny indeed, and so I turned to them and said: "Perhaps I can help you with your problem. I have a cock that I feel will meet your requirements."

They weren't in the least bit embarrassed, they just smiled and Sue said: "Okay, how big is it?"

"Twelve inches when it's fully erect," I said.

Kim gasped. "If you're telling the truth..."

"I'm telling the truth," I cut in. "I have a full, firm, twelve inches, more than enough to take care of both your needs."

The two girls put their heads together and whispered for a moment and then Sue said: "We're living in a villa just down the coast, we've rented it for a couple of weeks. Why don't you come back with us now, we'll have a look at your cock, and if it is as big as you say, then we could make up a very sexy threesome."

"On one condition," I said, "that you two fuck with each other as well, for I've never seen two women suck each other out in real life."

Kim smiled. "We'll have plenty of that," she said, "but only if your cock is as big as you say it is. If it turns out to be a small little excuse for a cock then you'll be kicked out."

"Let's go," I said. "My hired car is round the corner."

Their villa was only a few miles down the coast road, and as soon as we walked into the cool interior, the two girls turned to me and Kim said: "Okay, let's see the goods."

"Here in the lounge?" I asked.

"There's no point in going into the bedroom until we are sure you've got what we are looking for," said Sue. "If you really have got twelve inches of stiff cock then we'll get you into the bedroom soon enough, don't you worry."

I smiled, then I dropped my trousers and then my pants, and I took my cock in my right hand and worked my foreskin backwards and forwards for a few seconds, those two girls gasped with delight and surprise as my cock grew hard and stiff before their very eyes. It wasn't long before my prick was sticking out in front of me like a bargepole, all twelve hard throbbing inches of it.

"Hell, you weren't joking," sighed Sue. "I'm creaming up inside just looking at that cock of yours."

"It's bloody fantastic," whispered Kim. "I can't wait to get that huge cock inside my cunt hole. Come on, let's go in the bedroom and fuck."

"Hold on a second," I said, flashing them a smile. "You've seen what I've got, now I want to see what you've got. After all, under those clothes you might be horrible. Let me see your skin before I move a step."

Kim laughed. "You cheeky sod," she said.

Sue also laughed. "Well, fair's fair," she replied, and then

"WHAT A SIGHT, TWO NAKED WOMEN IN FRONT OF ME, READY AND WILLING TO MAKE UP A THREE-WAY SEX SESSION WITH ME. IT WAS A DREAM COME TRUE..."

she looked at Kim and nodded, and ten seconds later both those girls were standing stark naked in front of me, and they were gazing at my stiff cock while I was looking at their naked bodies, and believe you me, I really did like what I saw, liked it so much that my cock jerked like mad, and this gave them a great thrill to see my full twelve inches bucking up and down like that.

Let's start with Sue. She was about twenty five years old, and she had long blonde hair, the hair was very thick and streaked with gold where the sun had bleached it. She was tall and her face was very pretty, she had those wide lips which were just made for sucking cock, and there was that certain look in her blue eyes that made me sure she was as kinky as hell. You know the sort of look I'm talking about, don't you?

Her skin was slightly brown from all that sun and looked ravishing. She had high, firm breasts, a little on the small side, but perfectly shaped. Her nipples were deep red in colour and stuck out so much they made my mouth water just looking at them.

She had a nice looking cunt hole, all trimmed hair and pouting vaginal lips, just the sort of cunt that I go for in a really big way. Yes, Sue was all woman, I was really looking forward to getting my twelve inches to work inside her pussy.

I then looked Kim up and down, and she was fabulous. Her breasts were large and heavy and tipped with pink nipples, but even though her tits were ripe and full, they didn't sag in the slightest, and her pouting cunt lips were the fleshiest I had seen for a long time, and you could see them all, for she didn't have one single strand of hair round her cunt, she had shaved the entire bush off. What a sight, two naked women in front of me, ready and willing to make up a three-way sex session with me. It was a dream come true, no doubt about that at all, a bloody dream come true.

"You like?" asked Kim, lifting her tits up with her hands.

"You like?" echoed Sue, reaching down and pulling her cunt lips wide open so that I could see all the way up into her red fleshy juicy hole.

"I like very much," I smiled. "Let's go into the bedroom and have a really good fuck, shall we?"

I followed them into the bedroom, watching their rounded bums waggle from side to side as they walked. They both had good looking bums, with smooth rounded cheeks and deep clefts. I like a good shaped female bum, don't you?

There was a huge bed in the bedroom and there were venetian blinds which were half closed and these allowed the sun to streak in casting shadows over part of the room. It was nice and cool in that room. Just right for a good hard sex session.

We all got onto the bed and I kissed Sue on the mouth, while Kim started to suck away at Sue's right breast. They made it obvious, from the word go, that they would fuck with each other as much as they would fuck with me.

I'd never seen two women fuck together before, so after I'd dragged my tongue out of Sue's mouth, I rolled over on the sheets and then sat on the edge of the bed and told them that I'd like very much to see them give each other a right going over.

They both smiled and said they loved to do that while a man watched them, and then they went into a red hot lesbian act right in front of my eyes, and if I live to be a hundred I will never forget what those two girls did to each other in that villa in Spain.

Kim stretched out on the sheets and started to use her hands on her own breasts and nipples, and she pulled and tugged at them and before long those buds of hers were really hard. She then placed both her hands under her right breast and then took her own right nipple into her mouth and started to suck and slurp away on it as hard as she could go.

Sue and I watched her for a few seconds, and then Sue gave a soft moan of desire and she dived down between Kim's wide open legs and started to brush the tip of her tongue up and down Kim's floppy cunt lips.

I moved over a little so that I could see everything that was going on; Kim was still sucking on her own right tit and she was enjoying it so much that her cream started to bubble from her hole in great thick dollops, and Sue was down there, and as fast as that pussy juice came out she was lapping it up, and it seemed that every time her tongue touched Kim's cunt lips, that Kim had an orgasm.

I watched as Sue used her fingers and pulled Kim's cunt lips wide open, and as she did so a great stream of hot juice came boiling out of Kim's cunt and flooded all over Sue's face, and Sue gave a great gasp of pleasure, and then a few seconds later she moved her head nearer and then plunged the full length of her tongue all the way into Kim's hot cunt hole, and Kim let her right tit slip from her mouth and she shouted loud and long as a great orgasm ripped through her very beautiful naked body.

Sue slurped away like mad and her tongue flicked in and out, and going by the sounds coming from her throat I'd say that she was drinking down one hell of a lot of Kim's cunt cream, one hell of a lot indeed.

Then they changed places, and Sue stretched out while Kim went down and shoved her tongue into Sue's cunt hole, and she sucked away really well and before long, Sue was twisting and writhing and panting with pleasure as a multiple orgasm powered its way throughout her lovely flesh.

They then, at my request, got into the 69 thing, and it really was a lovely sight the way they sucked out each other's pussy holes at the same time. Kim was on top, her huge tits squashed against Sue's flat belly, her fingers holding the cunt hole wide open, her tongue delving deep, her lips sucking out what seemed like pints of cunt cream; and at the same time, Sue had her mouth close to Kim's cunt hole and she was flicking it in and out like a snake's tongue and lapping up large sparkling drops of cunt cream with the tip of it.

"I DIDN'T WASTE ANY TIME AT ALL, I JUST PULLED HER PUSSY LIPS APART, TOOK A DEEP BREATH, AND THEN PLUNGED MY TONGUE ALL THE WAY INTO HER VERY TIGHT HOLE..."

SUE & KIM & ME

Continued from page 15

The two girls then broke apart and rolled over, and Sue asked me if I had enjoyed what I had seen, and I nodded and said it was one of the best sexual experiences of my life, and with that they both smiled and then they suggested that I suck them out.

I was more than willing to do that, and so Kim stretched out on the sheets again and opened up her very long legs, and Sue bent over and used her tongue and lips on Kim's tits, while I moved down and placed my face between Kim's wide open thighs.

The scent coming from Kim's gaping cunt lips was very nice indeed, a sort of hot musky scent which made my prick jerk with lust. I used my tongue and lapped up some of the juices from her cunt lips, and I was aware that Sue was now sucking really hard on Kim's tits, and that Kim was shivering all over with joy and pleasure.

Kim's juices were salty and hot and very sticky, they tasted really fantastic, and I pulled her cunt lips wide open and shoved my tongue as far into her tight hot hole as I could get it, and she shouted and screamed with desire and a massive orgasm spread quickly through her flesh, and all the while, Sue was sucking away on Kim's boobs and nipples like there was no tomorrow.

Kim's cunt cream was bubbling into my mouth like a mountain stream in full flood, it was a massive stream of cunt cream, the most I'd ever seen, or felt, coming from a cunt hole, she just had to be the juiciest woman I had ever sucked out, and in my time I've managed to suck out quite a few women. Well, when you've got a twelve inch cock you're never short of women willing to go to bed with you, are you?

I sucked and licked at her cunt for about five minutes, and I lost count of the number of orgasms that she had, then we changed places, and Sue stretched out on the juice sodden sheets and opened up her legs, and Kim started to suck away on Sue's tits.

I licked some of Kim's cream from my chin, and then I moved down between Sue's open legs and go to work on her cunt. I didn't waste any time at all, I just pulled her pussy lips apart, took a deep breath, and then plunged my tongue all the way into her very tight hole.

Her juices were very sweet, much sweeter than Kim's, and I thanked my lucky stars that I had run into them, for in the space of ten minutes I had sucked out two lovely tight juice filled cunt holes. Like I said, it was a dream come true. Two quims in ten minutes. Yes, it was my lucky day alright.

I came up for air and I saw that both the lovely naked girls were staring hard at my prick. They suggested that they both suck me off at the same time, and I was happy with that, well, wouldn't you have been?

I flopped down on my back on the bed and my prick was throbbing away like crazy, and it was stiffer and harder than it had been for some time; well sucking two girls out one after the other would have made most cocks explode with spunk, and to tell the truth I had had to use a great deal of self control to prevent myself from ejaculating while I was sucking them out.

So there I was, stretched out on the bed, and two of the loveliest looking naked women I had ever seen were getting ready to suck my cock between them. I had to pinch myself to make sure I wasn't dreaming, but the sight of them and the taste of their cream inside my mouth made me know that I wasn't dreaming. This was for real, this was really happening to me. I'm a lucky sod, aren't I?

The girls worked out which part of me they were going to have each, and then Sue moved down and very soon the tip of her tongue was flicking all over my balls, and a very nice sensation it was as well.

Kim moved down and she ran her tongue up and down my shaft and all over my glans. That's all they did at first, just licked with their tongues, and they were so expert at it that soon I was panting with lust, and my cock was stiff and hard and ready to explode at any second.

Then they changed ends, so to speak, Kim sucked and licked at my balls, while Sue used her tongue and lips on my shaft and glans, and they worked very well as a team, I can tell you. It was pretty obvious they had done this sort of thing to a man before.

Then Sue took my hard swollen glans deep into her mouth, and the suction she applied was really fantastic, and at the same time, Kim managed somehow to take my balls, both of them, into her mouth and she slurped away on them like mad. It was an amazing feeling having your balls and glans sucked hard at the same time. Let me tell you that there is no other feeling quite like it. Just think about it for a moment, imagine that you reading this are having that done to you. Just think how marvellous you'd feel if a naked woman was sucking your balls and at the same time another naked woman had your knob deep inside her mouth. Imagine that if you can and then you'll understand just how marvellous I was feeling right at that very moment in time in that villa.

They kept changing places, first one sucking my balls then the other, first Kim sucking my knob then Sue sucking it. Then Kim took my glans from her mouth and rubbed it all round her face and at the same time Sue sucked even harder on my balls, and I shuddered all over and told them that I would be shooting out spunk at any second.

The two girls smiled at each other and Kim took my cock back into her mouth and sucked harder than ever and a few

"KIM STRETCHED OUT ON THE BED, OPENED UP HER LEGS AGAIN THEN SHE REACHED DOWN WITH HER LEFT HAND AND PUSHED THREE OF HER FINGERS INTO HER WET CUNT..."

seconds later my prick gave a very sudden massive jerk and my spunk came gushing out.

Kim's eyes went wide with lust and she sucked harder and took about half of my spunk into her mouth then she pulled her head away, and Sue dived over quick as a flash and took my glans into her mouth and sucked and she swallowed down the other half of my hot spunk. The girls had shared out my sperm between them, and from the way that they both had climaxes as they swallowed that stuff down I'd say that they liked the taste of my spunk very much.

"God, that was fantastic," sighed Kim, licking some odd drops of sperm from her lips. "You taste great, and there was so much of it, more than enough spunk for two."

"It was wonderful," said Sue, also licking her lips.

"There's plenty more where that came from," I told them "It won't take long for my cock to get hard again, it never does. Then I'll fill your cunts up with spunk right the way up, fill you up till you're overflowing."

"I just believe you would," smiled Sue. "It's a pity you haven't got two cocks then you could fuck us both at the same time."

"There's ways round that," said Kim.

"I'm sure there is," I said. "And you can show them to me."

"Let's have another sucking session while we're waiting for his cock to get hard," said Sue.

"Yes, let's," replied Kim. "You sit on my face and I'll suck you out, and while you're doing that, I'll wank myself off with my fingers."

"This I must see," I said.

Kim smiled, and she stretched out on the bed, opened up her legs then she reached down with her left hand and pushed three of her fingers all the way into her wet cunt and started to wank herself off as fast as she could go. Her fingers really did flash in and out very fast and it wasn't long before great slurping sounds were coming from the depths of her tight hole as her pussy juices bubbled up and spurted out from her fleshy quim lips.

She moved over and straddled Kim's head and then she lowered herself right the way down till her cunt lips were only an inch or so from Kim's mouth, and Kim opened up that mouth of hers very wide, and all the time she kept on wanking herself off with deep fast thrusts of her fingers, and her juices were soaking into the sheets, in fact there was so much juice coming out of Kim's cunt as she wanked herself off that pretty soon the entire room was full of the heady salty scent.

Sue reached down with her right hand and pushed two fingers into her own pussy hole and started to wank off, and I watched in amazement as Sue's juices spurted and trickled down from her hole and showered into Kim's open mouth. When these two girls made love with each other they didn't do it in half measures, did they? It was a terrific sight, it really was, there was Kim wanking herself off, and there was Sue wanking herself off as well so that her juices went streaming down into Kim's wide open mouth.

Then Sue sat all the way down on Kim's face, and it was very obvious that Kim had shoved her tongue all the way up into Sue's wet cunt hole, for Sue started to wriggle about and scream with joy as a great many orgasms passed through her body one after the other.

They changed places after that, it seemed that they always did to each other what the other one had just done to them, if you get my meaning. So this time Sue stretched out on the sheets and Kim sat down on Sue's face while Sue wanked herself off with her fingers. It was just as good this way round as it had been when Sue had been sitting

"I FUCKED SUE WITH LONG SHAFTING STROKES FOR ABOUT A MINUTE OR SO, AND THEN I ROLLED OVER AND SHOVED MY COCK INTO KIM'S CUNT..."

on Kim's face.

Well, I'm only human, but the sight of those two girls doing that to each other really got me worked up, and my prick was getting harder and stiffer with each passing second, and then Sue moved over and sucked at my cock, and bingo, I was as hard and as stiff as I had ever been, and I was ready to get my cock stuck into a pussy hole, more than ready as a matter of fact.

"Right," I said. "Which one of you two lovely birds wants to have my spunk in her cunt hole. Which one?"

"It doesn't matter," smiled Kim, as she flopped down on her back on the sheets. "You will fuck us one after the other and we'll share your spunk out at the end."

"I don't understand," I said.

"You will," smiled Sue, and she stretched out next to Kim so that their bodies were almost touching. "What you do," she went on, "is to poke that lovely cock of yours into my cunt hole and fuck me for about a minute, then you'll pull it out and move over to Kim. You'll shove your huge dong into her cunt and fuck her, then you'll move back to me and you'll do this over and over again till you come inside one of our cunt holes."

"Whatever you say," I replied, a huge grin on my face. I had already sucked them out one after the other, and now I was going to sink my cock into their cunt holes one after the other. All I could think was that it must have been my cock's birthday, for it was getting some really lovely presents from those two naked women.

I moved over and got on top of Sue and as I rubbed the hard head of my glans up and down her cunt lips, she shivered with pleasure and a soft moan of sheer delight came from her mouth.

I pushed my cock into her cunt hole, and it was tight as hell, really vice-tight, and as my cock went all the way in, Kim used her right hand and started to brush the tips of her fingers over Sue's breasts.

Sue was shaking all over as I began to move my stiff cock in and out of her cunt, I gave her the full twelve inches every time I pushed it in, and I went in so deep that my balls were pressed hard against her vaginal lips, and all the while, Kim was using her fingers to pull on Sue's tits, and needless to say, Sue was having a great time.

I did as they had asked, I fucked Sue with long shafting strokes for about a minute or so, and then I rolled over and shoved my cock into Kim's cunt and gave her a full sixty second fuck; then I moved back to Sue again and inserted the full length of my penis into her cunt hole and fucked her all over again.

All this jumping about soon had sweat pouring down my face, and my prick had a thick coating of cunt cream all over it. I'd never had so much fun in my life, one cunt hole after the other, it was a marvellous sensation, it really was.

I was fucking Sue for about the sixth or seventh time, when my prick gave up the struggle, and I shot a thick heavy stream of sperm into her pussy hole, and her shout of joy must have been heard two miles away as a giant orgasm went through her, as she felt my sperm flooding into her quim.

She wriggled her hips, rippled her cunt walls, squeezed with her labia, and jerked her body about to make sure that I was pumped dry, and then she gave another low moan of desire as a smaller orgasm coursed through her body.

I pulled my cock out of Sue's cunt and Kim moved over and took my limp cock into her mouth and she very slowly sucked and licked it dry.

I glanced at Sue, and it was a really nice sight which met my eyes. Her cunt lips were gaping open and coming from those pouting lips was a thick stream of sperm, and that sperm was all mixed up with her own cunt cream.

I looked over at Kim. "You like the taste of sperm don't you?" I asked, and when she nodded her head I pointed at Sue's pussy and suggested that she get her tongue stuck in there and suck the stuff out.

Kim smiled. "I was going to do that anyway," she replied. "That's what I meant at the beginning, that Sue and I always share out the spunk when one of us has been fucked."

I sat on the edge of the bed and watched as Kim went into action, and what kinky action it was as well. Kim dived down between Sue's wide open legs and started to lick the sperm from her pussy lips.

Then she used her fingers and pulled that cunt wide open, and she took a deep breath and then pushed her tongue all the way inside and started to slurp out the rest of my sperm from Sue's hole. Needless to say, that was the kinkiest, most perverse thing that I had ever seen in my life. And, needless to say, I enjoyed it very much indeed.

Kim sucked and licked and slurped away inside Sue's cunt hole till she was dry, then she moved up and kissed Sue on the lips, and both girls rolled round the bed kissing, fondling, and touching each other for some time.

I stayed on the bed while the two girls went into the bathroom, and going by the sounds of laughter coming from there I'd say they were having a great time. Why didn't I join them in the bathroom? Well Kim had hinted that she and Sue went in for water sports, and that isn't my scene at all.

They came back into the bedroom looking fresh and clean and joined me on the bed. Sue had found a large candle from somewhere and she pushed it into Kim's pussy hole and started to wank her off with it. I joined in by moving over and sucking on Sue's very nice breasts.

Sue was really going to town with that candle, she was hammering it in and out of Kim's quim just as fast as she could make it go, and Kim was yelling with desire and delight and that lovely cream of hers was coming out in thick flowing waves from her swollen pussy lips.

Kim had orgasm after orgasm, and then Sue pulled the candle, from that wet pussy hole and she handed it to me, and both the naked girls watched me as I raised that candle to my mouth and then licked Kim's juices from it.

I then rubbed one end of the candle up and down Sue's cunt lips, and as soon as she was lubricated, I pushed the thing all the way into her hot pussy and wanked her off with it and while I was doing that, Kim moved down and used her darting wet tongue on my cock and balls.

By the time I'd given Sue about half a dozen orgasms with that candle, Kim had worked so well on my cock that I was stiff and hard and throbbing again. I pulled the candle from Sue's cunt, licked the juices from it, then I threw the candle away and asked them how they wanted to be fucked this time.

Kim told me to stretch out on the bed on my back and just relax, and I did this, and Kim crouched low over my cock, pulled her pussy lips wide open with her fingers, then lowered herself right the way down so that she was sitting in my lap, so that my cock was up tight inside her hot cunt hole.

She started to bounce up and down, and how she did bounce, she went at it like the clappers, and after a while, Sue moved round and sat down on my face, and I pushed my tongue all the way up into her hole and started to suck out her cream. I had a woman at each end and it was a great feeling. There was Kim sitting on my cock and fucking herself as she bounced up and down, and there was Sue, waggling her cunt about all over my face as I flicked at the inside of her hole with the tip of my tongue.

I came a thick flood up into Kim's cunt, and she rolled from my cock gasping with passion, and Sue rolled from my face and she pushed her tongue all the way into Kim's pussy and sucked her out.

Well, I could go on for hours and hours about that three-way sex session I had with Kim and Sue in that villa in Spain, for our fucking went on all night long. It was an experience I'll never forget. Something that only happens once in a life time.

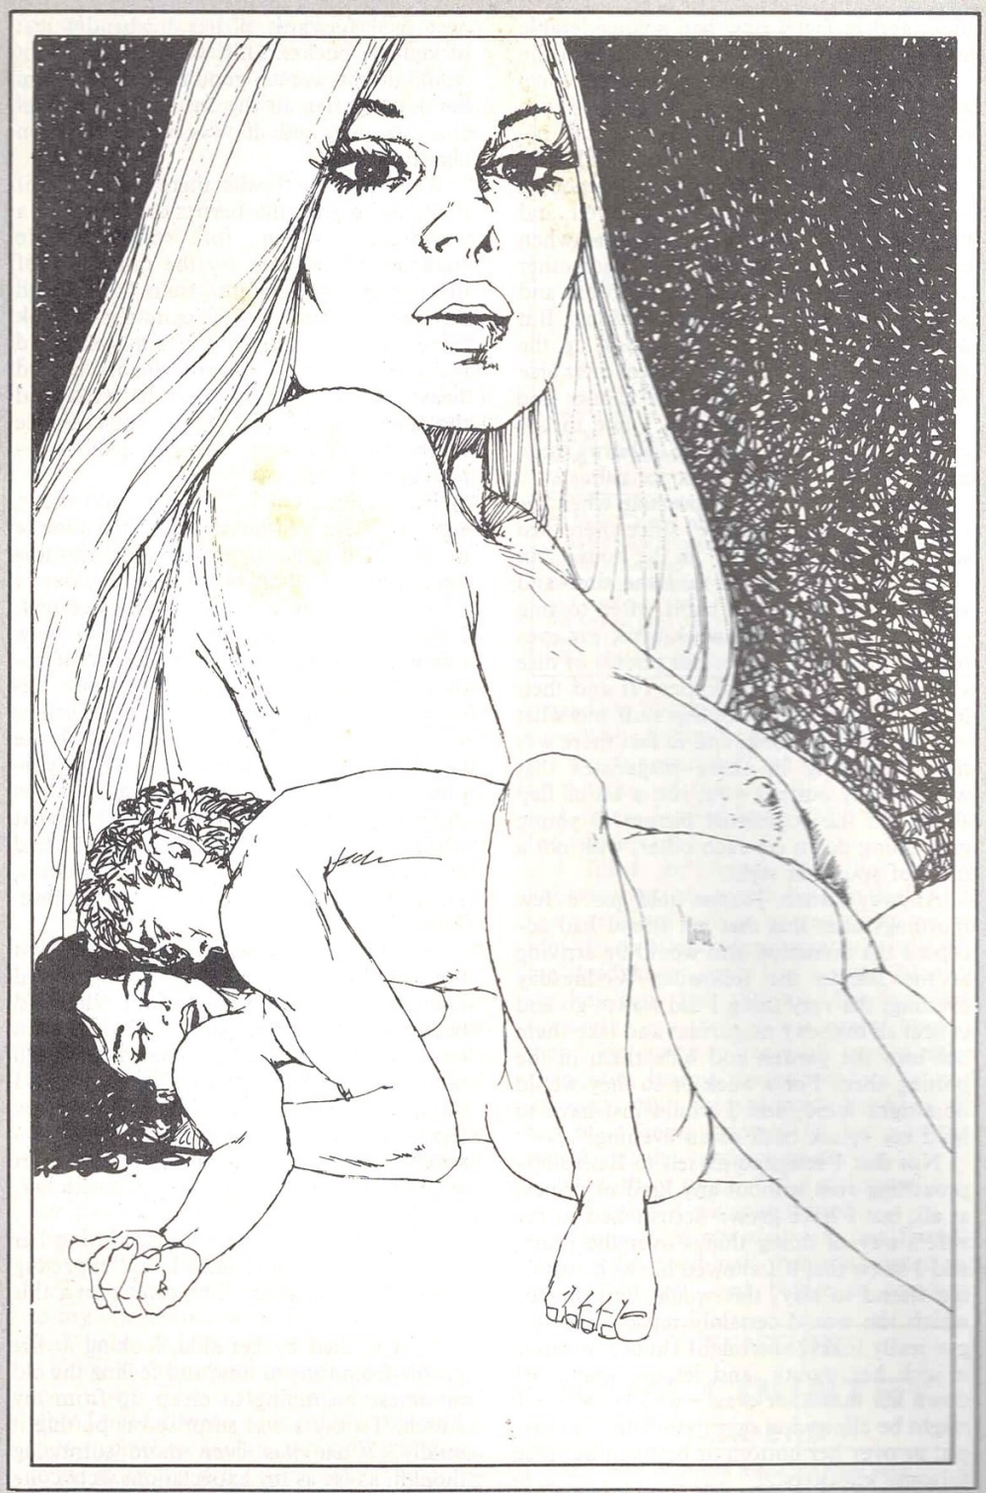
And if that doesn't raise a godalmighty hard-on, get back to Gay News. WHITEHOUSE – smut and proud of it. Price £1.25 or £1.50 via mail order.



THE PROMISE

I wouldn't say that I am exactly the most easy-going bloke in the whole wide world, but all the same I think I'm not too bad to live with. I don't get tyrannical about using the bathroom, I don't make a big mess all over the house for others to clear up, and I'm generally easy-come and easy-go. But there are limits to what I will put up with, and I reckon that now the kids have grown up and flown the nest, I am entitled to a bit of peace and quiet.

So I wasn't too amused when my lady wife announced over breakfast one morning that a friend of hers had recently been bereaved, and that she – Joanna, that is, my wife – was going to invite the said woman to come and stay with us for a week.

"Er – is that strictly necessary?" I asked over the top of the morning paper.

"Necessary? Of course it's not necessary, Arthur, but I'm going to ask her all the same. We were good friends when I was working at the Institute, and I wouldn't like to think of her all on her own. Have a bit of charity."

Now this was said in the same sort of voice as I myself might use if asking someone to have a bit of taste, and I have to admit that to start with it was the sheer nonchalance of Joanna's attitude that got me riled. She's a lovely lady, is my wife – in fact at the age of thirty-nine and with two kids behind her, she still looks a smasher – but sometimes she can really go too far.

"Where is she going to sleep?" I asked as if I'd already resigned myself to this visit.

"She can sleep in the spare room."

"The spare room? That's my office!"

When the kids had been around, you see, one of them had taken over the attic while the other one had had what we had always referred to as 'the spare room' though of course with the whole family there it had usually been impossible to put anyone up there. Since the youngest had got married though, a few months previously, I had stopped taking my paperwork into the lounge of an evening, and enjoyed the luxury of working at a small table beside the bed in there. Over the months I had got pretty used to this kind of arrangement, to the extent where I was now a bit jealous about the idea of anyone sleeping in there at all.

A look from my better half stopped all protest however and I had to be content with the thought that may be this friend of hers wouldn't turn up anyway, just politely decline the invitation. To the best of my ability I couldn't for the life of me place this woman, whose name was apparently Beth, from the time when the wife was working at the academic Institute down the road to earn a bit of extra cash when the kids were at school. I'd met some of the other women from the Admin offices where Joanna had worked in those days, and from what I could remember, most of them had been a right load of old bags, quite nice and pleasant and everything, but not what you would call exactly womanly.

So all in all, the news that one of these old deers had lost her husband and would be coming to shed some gloom at our house didn't really thrill me with delight. Apart from anything else, you see, in those peaceful evenings when I'd had the 'spare room' to myself, I had fallen into the habit of looking at girlie magazines from time to

time, and in fact I now had a considerable stash of them tucked down the back of the table. My sex life with Joanna doesn't leave all that much to be desired, since she is both willing and able to indulge in full intercourse, masturbation and oral, but I must admit that nowadays we only do it a couple of times a month. This is all very well, and in fact I look forward to our sessions, when we spend a whole evening sexing each other up before toddling off to the bedroom and getting down to some proper fucking. But from time to time I do like to look up the skirts of young ladies, also to feel their arse from time to time if I get the chance and then, in the privacy of what I like to call my office, to get out a couple of horny mags and really give myself a proper rub.

Now none of this was possible when the kids were about, you see, since there just wasn't that much privacy in the house, but since they had left, I'd had the time and space to settle into this habit, often tossing off a couple of times a week while my eyes feasted themselves on colour photos of nice young girls with their clothes off and their legs wide apart. None of this stuff was what you would call strong, and in fact there was never anything in these magazines that would really outrage you, just a lot of flap shots and the occasional picture of young girls going down on each other, with not a drop of spunk in sight.

Anyway, when Joanna told me a few mornings after this that her friend had accepted the invitation and would be arriving at the station the following Wednesday evening, the very thing I did was to go and collect all my sexy magazines and take them out into the garden and hide them in the potting shed. For a week or so they would be alright there, and I would just have to hold my spunk back of an evening!

Not that I resigned myself to Beth's approaching visit without any kind of protest at all, but I have grown accustomed to my wife's way of doing things over the years, and I knew that if I allowed her to have this old friend to stay, this would be a favour which she would certainly repay. And if I got really lucky, she might choose to repay it with her mouth, and let me spunk off down her throat, or even – who knows? – I might be allowed to do my stuff in her armpit, or over her bottom or between her nice fulsome knockers...

On the Wednesday morning then, my wife asked me if I could manage to get to the station that evening and pick the woman up, since I happen to work in that part of town, and I've got the only car.

"What does she look like then?" I asked.

"Well, you can't mistake Beth: she's slim and blonde with a sort of turned-up nose. I've told her to be on the look-out for a tubby man with a receding hairline!"

"D'you mind?"

Blonde, was she? I had this image of some fifty-year-old fright with dyed hair, and I wondered not for the first time if Joanna really knew what she was letting me in for. I mean to say: giving up your office is one thing, but not for the sake of some old crone who will not exactly be putting her best face forward, if her husband's just kicked the bucket. Still, as the wife said, it would do the woman good to get away from her house after all the fuss of the funeral and so on, and it was only common charity...

That evening I was there in plenty of time, waiting by the barrier and keeping a weather-eye open for someone like Joanna's description. By the time most of the passengers from the train had passed through, however, I was beginning to think there must be some kind of a mistake, and that over the few years since she had moved away from our area Beth must have changed the colour of her hair, or perhaps even the recent traumatic events had changed her appearance in some way.

Five minutes later I was still there, smoking a fag and looking at a nice blonde in her late twenties or thereabouts who was lingering by the barrier a few yards away, a coat over her arm, a suitcase by her feet. Now if only I was waiting for her! For a few minutes I allowed myself the luxury of indulging in a bit of sex-fantasy about this woman, imagining that I was the chauffeur sent to pick her up from the station; in the car she would turn out to be a raving nympho and go down on me while I was driving, sucking my spunk down her throat while I drove her to her destination. She had quite a nice mouth, come to think about it, under that cute, turned-up sort of nose. Turned-up nose?

All of a sudden the pair of us realised at the same time just what was what. She'd looked at me from time to time while I'd been waiting there, as people will, but when our eyes finally clicked together, I sussed all in a rush that this had to be Beth! Christ, I thought as I walked over to her on shaky legs – she didn't look more than twenty-seven or eight. She must have been a proper cracker when the wife was working with her.

"Arthur?" she asked.

"You must be Beth," I said, lifting her suitcase. "I'm sorry, only I was expecting someone a bit older. The car's down this way."

So I walked by her side, looking at her profile from time to time and feeling the old randiness beginning to creep up from my crotch. To say I was surprised is putting it mildly. What was even more surprising though, as far as my expectations were concerned, was the fact that I had been expecting a widow, someone dressed in black and sobbing quietly into a balled-up handkerchief from time to time. And yet not only was the woman a good twenty years younger than I'd thought she was; she didn't really seem all that upset. Perhaps her husband had been years older than herself? Perhaps she'd been expecting him to pass on for ages?

Mind you, I didn't get all that much out of her on the drive back from the station, since I was intent on keeping a good grip on the wheel and not letting my hands slide off and down onto her shapely knees. I recalled the sex-fantasy I'd been having about her before I twigged who she really was, and for two pins I would have stopped the car and got my old man out, thick and throbbing as

it was. The very idea of having those nice shapely lips close over my stiffer was enough to give me a staggering great tent-on, and I found myself getting more and more nervous the closer we got to our house.

"Here we are," I said at last. "I should think Joanna will have a nice cup of tea waiting for us."

So in we went, and as soon as the two old friends had had a bit of a chat about life in general, we all three of us sat down to high tea. I must say it felt odd to have company of this nature, since all our friends are usually the same age as us, and I couldn't help staring at Beth's bosom in the front of her white blouse during the meal. She wasn't as big in the tit as my wife, but that was the least of my concern, since I was dead keen to find out the shape of her tits, also the feel of the firm flesh.

What with one thing and another, by the time the plates were finally cleared away, I had a huge great hard-on, and when I remembered that it would be awkward for me to go and toss off in the spare room, I must admit I felt more than slightly frustrated. The two women seemed quite happy about doing the washing up together, talking about the funeral and the dead man's health (he'd been younger than me, it turned out) and then going back to chatting about the times they had had at the Institute.

So there was nothing for me to do but slip out for a pint or two. This isn't something I do all that often, as it happens, so it was quite welcome in its own way, but every woman I saw under the age of about thirty-five made my cock spring up once more in earnest. I mean to say, I was faced with the prospect of going home and spending the night with Joanna, while in the spare room along the passage Beth herself would be curling up her shapely limbs, with her cunt bare and her lovely cute little arse pressing into the sheets, while her tits hung gracefully to one side.

The picture I was building up did credit to my imagination alright, which I suppose had been fed by all those evenings of looking at pictures of young girls with their legs open. The trouble was though that what I needed was a proper bunk-up, and it didn't somehow look as though I was going to get it. In the end I went home and practically straight to bed, and when Joanna joined me later she knew what I wanted alright: without a word she knelt over my crotch while I lay on my back, then she flopped her milk jugs over the prong of my prick, sexing my balls up with her fingers at the same time. And while I stuck my fingers into every nook and cranny on offer, my wife skilfully handled me inside her crack, sitting down on my tool until I was up to the hilt in hot juicy cunt.

"You are randy tonight though aren't you?" she asked as she began to gyrate her loins around with my erection firmly clasped in her vaginal grip.

Well, what could I reply to that? She could tell by the size and stiffness of my hard-on that it wouldn't be long before I did my load up her sheath, and if she connected my horniness to the arrival of her old friend, she kept it to herself. After all, even if I was to spend the time we were shagging in thinking of the way Beth would go in bed, it was Joanna herself who was getting the advantage!

I filled my hands with her creamy knockers and squeezed the ripe flesh while she continued to ride up and down on my tool. Even after twenty years, she still gets me dead horny once I'm actually plugged up her gap, and the way her cunt was massaging my tool, it was pretty obvious that I was going to come off sooner rather than later. Joanna moved her hips up until my cock was only just inside her hole, the top of it being gripped by her powerful muscles at the entrance to her slit.

"Mouth or quim?" she whispered.

"Mouth," I whispered back.

Joanna gave my tool one last friendly squeeze for good luck, then she relaxed and let it pop out, and before it could go anywhere she was bending all the way down and sucking her own juice off the shaft of it, her tongue going over the knob head and urging my spunk to come shooting up from my bollocks. I thrust up so that the end of my prong was lodged in the back of her throat, something I first did to her years and years ago, and she patiently waited for me to show her how I wanted to go: I put her fingers round the base of my hard-on where it protruded from her lips, and got her to wank me off down her throat.

All this while, I had been keeping my emotions firmly under control, I suppose, but just at that moment, with the pressure of her throat muscles round the width of my knob and her strong fingers expertly wanking my shaft, I couldn't help imagining that I was being plated by our sexy visitor. My hands were nowhere near those fulsome knockers of my wife's, you see, so I had nothing to make me change my fantasy. With my eyes closed, for all I knew this could indeed be the young blonde who was getting to sleep down the corridor from us, and as the pressure built up in my prick I began to get fantastically worked up.

"Suck it," I whispered in the darkness, only just managing to keep from adding the word 'Beth' to the command! "That's it, you sexy bitch, get your throat wrapped round my great fat prick! Wank my prick, you sex-pot you! That's it, wank it, wank it... Get ready for blast-off, Joanna," (for I reckoned it would be a good idea not to give her any ideas!) "and stand by to cop a mouthful of spunk. You know how much spunk I make, you dirty slut. Well in a minute I'm going to shoot it all down your throat. You'll have to do some fancy swallowing in a minute, my love..."

Now this is pretty tame stuff, really, and if you've ever been keen on talking dirty while fucking or being sucked, I'm sure you can come up with something a bit stronger. But you must remember that Joanna and I are a respectable middle-aged couple with children and the fact is that we simply don't indulge in this sort of thing as a rule. I don't know what my wife was thinking of all this time, with my prick down her throat and all this sex-talk coming out quite effortlessly, but she sucked and wanked away with zest, and in a minute she had got me right on the very edge of my spunk-up, where just a little bit more stimulation anywhere would send me clean off the rails.

Now in the course of the past twenty years, I suppose Joanna must have coped with many, many thousand different occasions on which I have come my load. Let's face it, she has got to know pretty well what my prick is up to when it is going to start shooting from the hip, so to speak, however she might have brought it about, with hand, mouth, tit or cunt. So that she is far and away the world's leading expert on the subject of my spunk! Even though we only did it a few times a month, as I mentioned earlier, every time we do something in bed, it is as if we are both going back to playing roles we happen to have got off to perfection.

All this meant that when she finally got me

THE PROMISE

Continued from page 31

on the point of spunking, my wife was in complete control of the situation. Even though I was lying there fantasising about Beth getting her gullet speared with my rampant prick, all the same it was still Joanna herself who was ever so gently licking the knob head as it quivered and strained between her lips. Now that she had it in the front of her mouth once more, she was using the most subtle arts at her disposal to prolong my feeling.

I must say that at this stage of the game, despite my fantasies about the girl down the passage, all I wanted to do was to shoot my come, and so I was jiggling my tool around in Joanna's mouth with this in mind. Do what I might, however, she still knew how to make me wait until I was good and ready. She got one fist down over my prick, sliding it down tight from knob to root until it was clamped firmly at the base of the shaft, which seemed to grow even thicker and harder as she did so. Then she blew hard over the most sensitive bit of the knob, at the same time shaking the whole thing from side to side fantastically fast, making my prick vibrate crazily in this sort of slipstream of hot breath.

The effect of all this was fantastically erotic, as I'm sure you will know if you've ever had it done to you. If not, ask your girl or your wife to try it out, and wait for the reaction! It's not really like the usual sex-feeling at all, much more subtle than that and in fact it seems to be working on a different physical level if you know what I mean, by-passing the usual channels of sex and really homing in on something special.

But what was truly amazing was the pressure which was building up in the root of my cock. The nearest thing I can compare it to is trying to fuck a girl who is too tight, and this is something I myself haven't done for some time. There is an old saying about an irresistable force meeting up with an immovable object; well, in this case the irresistable force was the pressure of my spunk which was really trying to force its way up my prick, and the immovable object was my wife's fist, which had me in a fantastic grip while her tongue continued to torture my sex-flesh.

"Let me spunk!" I pleaded with her, nearly sobbing in the process. You see, technically speaking I was already coming off, since I could easily feel the beginning of that fabulous feeling you get right at the very start of a climax. But because she wouldn't let any of my stuff through the tube, everything was sort of in a state of flux, as it were, and I really felt like I was on the rack.

"Arthur," said my better half, while her fingertips massaged my straining balls.

"What?" I nearly screamed.

"Promise me something?" she went on, and the 'p' of the first word puffed over the rigid taut knob just below her mouth.

"Anything," I whispered, half-deranged.

"Promise you'll keep your hands off Beth."

Alright then; what would you have done? I reckon that even if the sexy visitor had told me from the top that she would be available for extra-marital sex at any hour of the day or night, I would still have faithfully sworn to Joanna that, yes, of course I wouldn't dream of touching her friend anywhere between the collarbone and the knee. Well, perhaps I might actually dream all kinds of things...

So there you have it: as soon as I'd promised not to indulge in any hanky panky with Beth (the very idea!) the pressure was released from the base of my tool: my come fountained up like a geyser, and I reckon if Joanna hadn't had her mouth open wide over the end of my prick, my spunk would probably have hit the ceiling! As it was though, she held my shaft loosely in her fingers as if it was a stick of rock, and let me shoot my load all over the roof of her mouth. The sheer intensity of this spunk-up quite took my breath away, and it seemed to take simply ages to finish off popping my roe, listening to the lovely sound of a woman in her prime gulping and vewing and swallowing fresh sperm as it comes rocketing from the end of a nice stiff prick.

That's just about it then. I don't remember much of what happened for the rest of that night – probably we just fell asleep when it was all over – but the next morning I felt more than slightly embarrassed every time I looked at either of the two women. Anyway, all day at work I was in a right old state, still lusting after the blonde you see, but knowing in my heart of hearts that there was nothing I could do about it; for all I know, at that very moment Joanna might have been telling Beth about my promise! It's funny the things women find to talk about really...

That night I deliberately got home late, not wanting to spend any more time in Beth's tantalising company than I possibly could. She still looked really gorgeous, of course, and my knob got stiff just chatting to her after supper, but I knew it was no good: I was going to sleep with Joanna tonight, and she had better be in the mood for a thick prick!

As things fell out, as soon as I climbed in beside her, wishing deep down that I could be cuddling up to Beth, my wife moved down the bed and sucked on my knob. At once it sprang up hard and straight in her mouth, but tonight I wanted to screw. I threw her over onto her back, got my hands over her arse and then plugged her first time, sticking it in from the hips and forcing myself up her until there was no more room inside.

Joanna gasped, for this was the hardest I'd penetrated her for years and years, and while she was still recovering her breath I started banging her, going at it like the clappers and really giving her a right old-fashioned shagging. Every time I poked her, our pubic bones met with a proper crunch, and I must have poked her a few thousand times before I finally came my load.

By that time of course she had climaxed not once but thrice, and I deliberately gave it to her as hard as I could so that Beth would be able to hear us from her own bed down the passage. The idea of our sexy guest lying awake and listening to the sound of her old friend's voice as she climaxed made me nearly see red, and when I fantasised that perhaps our visitor might be fingering herself as she listened, I turned in probably one of the best fucking performances since we were newly wed.

And the funny thing is that for the rest of the time she was with us, I managed to keep my promise about touching Beth, and yet every blessed night I fucked and wanked and sucked Joanna until she came like an air-raid siren! Since then we've calmed down a bit, but I can tell you this: those magazines are still in the potting shed, and I don't care if they rot.

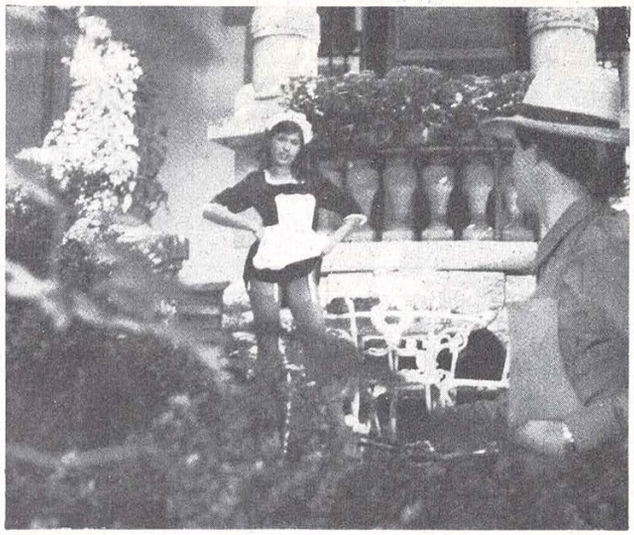
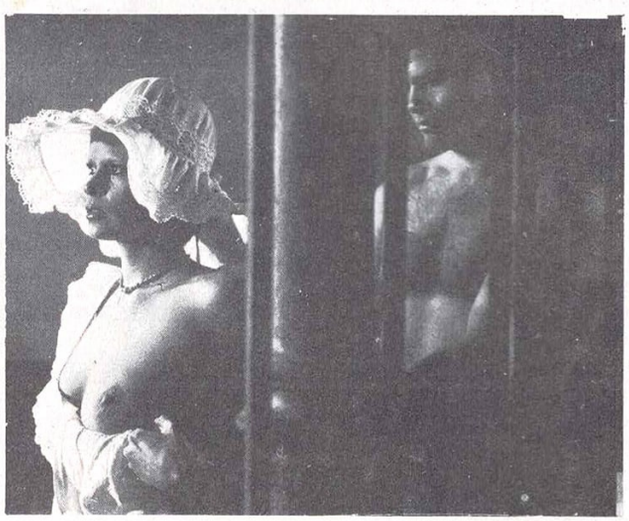
SPECIAL FILM REVIEW

"Come Play With Me" 2

WINNER OF THE 'GOLDEN ROSE' AWARD AT THE RECENT COPENHAGEN SEX FILM FESTIVAL





This month we take an in-depth look at the controversial follow up to the film which made Mary Millington a star – 'COME PLAY WITH ME'.

'Come Play With Me 2' was made entirely in Germany, due to the refusal of several British crews and studios to shoot some of the explicit sex scenes that the producers insisted go into this film. It's therefore extremely pleasing to be able to report that their efforts have been amply rewarded in that the finished product is probably the best sex film seen in Britain for over five years.

'COME PLAY WITH ME 2' has been acclaimed INTERNATIONALLY; not only has it broken house records in Denmark, Sweden, Germany and Holland, BUT it was recently voted the Golden Rose Winner at the Copenhagen Blue film festival. So make sure you make a note in your diary to see 'COME PLAY WITH ME 2'! The naughty nurses are back in action in 'COME PLAY WITH ME 2'!

WHERE YOU CAN SEE 'COME PLAY WITH ME 2'

This is the most important thing! 'Come Play With Me 2' will NOT be going on general release – but you can see it at these cinemas: **LONDON** Moulin, 31st July. **MANCHESTER** Cameo, 3rd Aug. **CARLISLE**: Studio, 17th Aug. **GLASGOW** Classic Grand, 24th Aug. **EDINBURGH** Classic, 24th Aug. **NEWCASTLE** Studio, 24th Aug. **BLACKPOOL** Studio, 28th Aug. **LEEDS** Plaza, 7th Sept. **STOCKPORT**: Classic, 14th Sep. **SHEFFIELD** Classic, 14th Sept. **ROTHERHAM**: Classic, 14th Sep. **BRISTOL**: Studio, 23rd Oct.

5 GOOD REASONS WHY YOU MUST SEE 'COME PLAY WITH ME 2'

- ***IT'S A GREAT COMEDY** – The funniest film ever shown on British screen.
- ***IT'S THE SEXIEST FILM** – 'COME PLAY WITH ME 2' is without doubt the sexiest film ever to be shown on the British Screen. It makes films like 'Emanuelle' and 'Ten' look like children's hour!
- ***IT'S A CLASS FILM** – far superior to the usual cheaply made, low budget sex films
- ***THE ACTRESSES ARE STUNNING** – all the girls who appear in 'COME PLAY WITH ME 2' are real crackers – in a league all of their own!
- ***IT'S A FILM THAT WILL APPEAL TO BOTH SEXES** – There's plenty in this film for men and women!

COME PLAY WITH ME 2 is a high quality sex film, it's really a very special film. Make sure YOU DON'T miss this film.

LESBIAN FLATMATES

A short while ago, Kate started searching for somewhere to live. She looked in all the local papers to find someone who wanted to share a flat, as this was the cheapest way of doing it. She found one alright, and she also found something else. This is her story.

I'd tried several flats but didn't like the people I was going to share with. Then I saw this ad in the paper from a girl called Rose who wanted someone to share a flat with her, and the price looked very good indeed. So I phoned up and made an appointment to go round and view the place that very evening. The important thing about sharing a flat is that you get on well with the person who is already living there.

I went round that evening and I liked Rose right away. She was tall, about my age, which is twenty five, had a great figure, and seemed very pleasant. The flat was out of this world, and well worth the money she was asking for sharing.

I told her I liked the flat, and she smiled, and we sat in the lounge and drank some coffee. She asked me about myself, about my job, how much money I had coming in, the usual sort of thing. I noticed that she was looking at me in a strange sort of way, and I soon found out why.

"There's only one condition about this flat," she said, looking at me over the rim of the cup.

"Oh, what's that?" I asked.

"I'm bisexual," she replied, speaking very slowly and watching my face all the time. "I would only want to share this flat of mine with a woman I could make love to every now and then. What do you think about that?"

"I'm bisexual as well," I told her.

She smiled. "Well I like the look of you," she went on. "There's only one more test before I offer you the chance of moving in with me, and that's making love with me."

I smiled back at her. "That's no hardship," I replied. "I like the look of you too, and I just love the flat. I would very much like to live here, but as you said it would be pointless doing anything about it until we are sure that we like each other in bed. I've always wanted to share with another bisexual woman."

She nodded and seemed very pleased with my answer. She then finished her coffee and put her cup down and then stood up. "Well, let's see if we like each other in bed right now, shall we?" she whispered. "And if we give each other lots and lots of orgasms then you can move in in a few days."

I nodded and stood up and followed her into one of the two bedrooms. I was determined to give her a good time, for I loved the flat so very, very much, and really did want to live there. I also liked her a lot. It seemed that my dreams had at last come true, a nice flat and a lesbian lover all thrown together. What more could a randy girl like me ask for?

We went into the bedroom and there she very quickly undressed and I stood by the side of the bed and looked at her naked body and I felt a thrill of pleasure course through my body, in fact she looked so very beautiful that my juices started to cream up inside me, hot as hell.

Her skin was white and smooth as silk, she had these heavy ripe breasts that were

very firm indeed, and what I liked most of all about those tits was the fact that they were tipped with really stiff hard nipples, and my mouth started to water and my juices soaked into the front of my knickers as I looked at them. Those nipples were ideal for sucking on as they jutted out a good half inch from her boobs.

I let my eyes wander down the rest of her body and saw that her waist was slim, that her legs were long and shapely, and that her cunt lips were pouting out through the strands of her sparse curly pubic hair.

She smiled at me and then she reached down with both her hands and then used the tips of her finger to pull her cunt lips wide apart and this meant that I could see all the way into her hot cunt hole, and a very beautiful sight it was as well.

She was very red and wet in there and her juices were flowing down in what seemed like a never ending stream and that juice was sticking to her cunt lips, sticking to the inside of her firm thighs, and some of it was dribbling down even more and soaking into the sheets. Like I said, she was a very lovely looking woman indeed, I knew that would give me a great deal of pleasure to make love to her.

I took off my own clothes and when she saw my lovely tits, stiff nipples, and very fleshy cunt lips, she sighed with joy and moved over on the bed so that I could stretch out next to her.

I pulled her to me so that the hard points of her nipples pressed into my breasts, so that her cunt lips were rubbing against my quim lips, and then I kissed her on the mouth. She shivered all over and returned my kiss with a great deal of passion and as her tongue went deep into my mouth, as I started to drink down her warm saliva, I shuddered all over and had the first of many orgasms.

We kissed for some time and then pulled apart, and she was panting with lust and her lovely breasts were heaving up and down and her nipples were hard and throbbing, so hard they looked as if they were going to explode at any second. Those nipples were so beautiful, so lovely, that I just had to suck them.

I moved down and squeezed her right tit with both my hands so that her nipple stuck out even more, then I bent my head down and flicked my tongue over the tip of that stiff bud, and she shook and sighed and her cunt lips gaped open and another thick stream of cunt cream came bubbling out and formed a dark patch on the white sheets.

That cream looked so lovely that I just had to get some, and so I moved slowly down her naked body, flicking at her flesh with my tongue as I did so, until my face was between her thighs and I was looking closely at the way her cream was dripping from those wonderful pouting cunt lips.

The scent which wafted from that hole was wonderful, and I took several deep breaths to allow that scent to waft down into my lungs, and as it did so, my head reeled with passion and desire. I moved my face closer to her pussy and then lapped some of the thick hot stuff from her lips with the tip of my tongue and I almost fainted with joy, for her cream was the best that I had ever tasted in my life.

As my tongue brushed all over her cunt lips, she sobbed with delight and her hands came down and clasped at the back of my head. I took another deep breath and then pulled her cunt lips wide open with my fingers and shoved my tongue all the way inside her hole, and as I did so she had an orgasm and her thick juices streamed and flooded into my mouth very fast indeed and I drank them down, drank down as much as I could, and as that lovely hot stuff trickled down into my stomach, my entire body convulsed and I had a massive orgasm, and my own cream spurted out all over the place.

The inside of her cunt hole was very tight, and I used the tip of my tongue to explore every single part of her tube, and then I took her clit in my mouth and sucked hard on that and the most amazing multiple orgasm flooded through her body. It was fantastic, I only had to move my tongue a little bit inside her gaping hole, I only had to touch her clit, and she had an orgasm. She was a right little nympho, I'm pleased to say, I'm very pleased to say!

I sucked her out for some time and lost count of the number of climaxes she had, but I reckon that by the time I took my mouth away from her cunt that I'd drunk down at least half a pint of her cream, and if you think about it, that is an awful lot of juice.

I rolled over on the sheets, and she let out a little animal sigh of lust and wriggled down my naked body and a few seconds later her tongue was deep inside my cunt hole and she was slurping away like there was no tomorrow. It was the best tongue fuck I'd ever had in my life.

We moved apart and I asked her if she had anything in the flat that we could wank each other off with, and she smiled, nodded, then got off the bed and went over to her dressing table, she opened one of the drawers and pulled out this very large penis shaped candle. She came back to the bed with it and told me that it was her favourite wanking stick.

I could see why, for that thing was a good eleven inches long and very thick indeed. It was shaped just like a stiff cock except that it didn't have any balls. She told me to relax, that she would wank me off with it first and then I could wank her off.

I stretched out again and opened up my legs and this caused my pussy lips to pout out, and there was still a great deal of thick bubbly juice coming from the depths of my hole, in fact there was so much juice coming out of my cunt, and her cunt that the entire room was filled with the heavy sweet scent. I happen to think that cunt cream is the best perfume ever invented, don't you?

She grasped that candle firmly in her right hand and then rubbed the glans shaped end of it up and down my pussy lips, and I yelled with joy for it felt so very good, and my cunt lips started to swell and pout and my cream came out in what seemed like bucket loads.

She then eased that thing all the way into my cunt hole, and she pushed it in so deep that I felt the end of the candle touching the opening to my womb, and as any woman will tell you, that contact, deep inside there, always gives a woman a really fabulous orgasm, and that is what I had, one of the best orgasms of my life.

She wriggled it about inside me for a little while, a real sexy smile on her face, and then she started to wank me with it, and her right hand became a blur of speed as she hammered that thing in and out of my pussy hole just as fast as she could go, and that was very fast indeed.

I came again and again as she thrust that thing in and out of my tight pussy hole, and my body was rigid with passion. She fucked me with that candle for a good ten minutes, and then she very slowly pulled it out, then with a big smile on her face, she handed it to me and told me she would very much like to see me lick and suck my own juices from the wax shaft.

I was more than happy to do that, for I

love the taste of my own cream, in fact the only taste I happen to like better is the taste of thick hot sperm, sperm which gushes into my mouth after I've sucked a man off.

I took the sticky juice coated candle from her and held it to my face, then I opened up my mouth and poked out my tongue and then I licked my own thick cream from that candle while she watched me. I then swallowed down those large drops of cream and had an orgasm on the spot. That wasn't unusual, for I always have an orgasm when I drink down my pussy juice like that.

I gave the candle back to her and said that I'd like to watch her wank herself off with it and that while she did that I would suck her tits and nipples. She thought that a great idea, and she stretched out next to me on the bed and then inserted the full length of the candle all the way into her cunt hole. She started to wank herself off, and she did it with deep thrusting movements of that candle, she really rammed it into herself as hard and as fast as she could go and gave herself a great time.

I watched her for some time, and then I moved round and squeezed both her tits together and this way I was just about able to get both her nipples into my mouth at the same time, and she yelled and shouted with joy as I rolled those two stiff buds of hers round under my tongue, but she kept wanking herself off all the time I was doing that, and she was having more orgasms than I'd ever seen any other woman have. They were flooding through her thick and fast and sweat was now pouring down her lovely face.

She then pulled the candle from her cunt hole and handed it to me and I licked her juices from it. We had a rest after that – we both needed one – and she asked me about the men I had been out with.

I told her that in my time I had been out with some really good men, and she smiled and said that she'd had quite a few good thick cocks inside her cunt hole as well, and then she asked me to tell her about the last man I had fucked with, she said it turned her on to hear another woman talk about being fucked by a good cock. I was more than happy to tell her about my last lover, for I too get turned on when I talk about sex.

I told her that I had been fucked just the night before. I had gone out with Pete, a very good-looking man, he had taken me out for a very nice meal, and afterwards we had gone back to his flat for a drink. I hadn't fucked with him before, and I was dying to see what his cock looked like. I know that the size of a cock doesn't make that much difference, that it is what a man does with it that counts, but like a great many women I really do appreciate seeing a really huge cock from time to time. As it turned out, Pete had the biggest cock that I'd ever seen.

After a couple of drinks he took me into the bedroom and then undressed me and as he took my clothes off he used his tongue to lick at every part of my exposed body, so that by the time I was naked I was coated with his saliva and tingling all over with pleasure. I then stretched out on the sheets

and slipped three fingers into my cunt hole and very slowly wanked myself off while he got undressed, and just seeing his cock gave me an orgasm.

It was a beautiful cock, the biggest I had ever seen in my life, not only was it as thick as my wrist but it was also twelve inches long and as stiff as all hell.

It was a good job I was well and truly lubricated, for I had to be wet as anything to get that monster of a cock all the way into my tight hole.

Well, we played about for some time, he sucking at my tits and nipples and me stroking his cock with my fingers, then he rolled over on top of me and very slowly pushed the full length of his cock all the way into my hot cunt hole.

I had never felt anything quite like it, that cock felt so huge inside my quim, so huge, so wonderful, so bloody fantastic that as he slid it into me I reckon I came at least six times.

Then he fucked me, and that huge swollen throbbing glans of his gave my internal walls a right lovely battering as he shafted in and out, and he was in so deep that I could feel his tight balls banging against my fleshy cunt lips every time he went in.

It was the best fuck I'd ever had, and that was due to the fact that he had such a huge cock. In fact my cunt walls had to expand out one hell of a long way to get that cock in.

He fucked and he shafted and he fucked again and again with that huge cock and I had so many orgasms, that I lost count, but it seemed that every time he went in, and every time he pulled out, that I had a climax.

Then he came, and he shot this fantastic load of hot spunk into my cunt hole. It was the biggest amount of spunk that I'd ever had inside my quim in my life, I could feel it flooding into me, feel it filling me right the way up.

When he took his cock out, I placed it in my mouth and sucked some odd drops of sperm from it, and I also licked my own cream from his shaft and balls.

Then he went down on me and pulled my cunt lips wide open with his fingers, for he said he just loved to see his sperm swimming about inside a woman's hole after he had fucked her. I liked to see that as well, so when he had finished looking, I got off the bed and rushed into the bedroom and there I crouched down in front of a full length mirror and pulled my cunt lips open and looked inside myself. Yes, that was a great fuck.

"That sounded nice," she said when I had finished telling her the story about me and Pete.

"Tell me about your best fuck," I whispered.

She smiled and said: "My best fuck was when I made it with two men at the same time. I took one cock in my mouth and the other cock in my cunt. I sucked and fucked at the same time."

"That sounds really good," I cut in. "I've never made it with two men at the same time, is it as good as they say it is?"

She nodded. "It's really wonderful," she replied. "To have two thick throbbing cocks working away on you at the same time is an experience that every woman ought to have at some time in her life."

"Tell me more?" I pleaded.

"Well, timing is the important thing," she went on. "I'm good at timing, and I worked it so that both the men came at the same time. This meant that I had spunk in my cunt and spunk in my mouth at the same time. It was great."

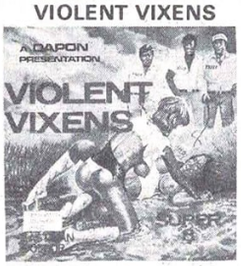
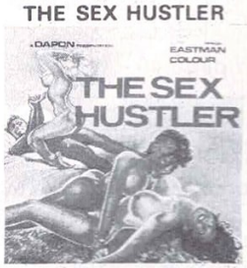
VIOLENT VIXENS



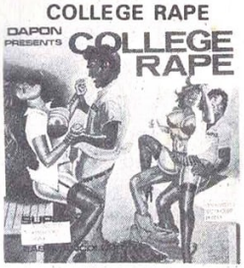
Two beautiful buxom college girls are playing net ball in the college grounds, when an intruder tries to force his attentions on them. The girls set about him and drag him to the ground, kicking and beating him, but his shouts for help are heard by his two violent companions. They threaten to whip the girls and make them fight like wild-cats in the mud. They tear and claw and punch each other to the point of exhaustion, their clothes in shreds and their very large boobs covered in mud.
Great action and a very realistic film with no pretence.

THE SEX HUSTLER



The beautiful French chic is sent to meet the lovely "Honey," a chocolate coloured sex bomb with huge boobs, and a real talent for handling her clients.
The French chic is new to the business and is sent to watch "Honey" perform. Watching from a cupboard she sees Honey give a torrid exhibition of fellatio and love making that really turns her on. A beautiful sensitive lesbian scene takes place between these two fabulous girls.
Very exciting close-up camera shots of large boobs and everything else.

COLLEGE RAPE



Three sexual offenders find themselves on the run and take refuge in the kitchen of a corrective training school for girls. Two of the girls enter the kitchen for a late night snack and are mauled and molested to the point of exhaustion. Their uniforms are ripped and they are spread-eagled across the kitchen table and raped.
This is a very good film. If you like extra large boobs (42") on slim beautiful young girls, this is a collectors piece.

FRENCH STYLE

Susie, a beautiful French model, lies in bed playing with herself and dreams of meeting Pierre, a powerfully built Frenchman. Pierre is a very accomplished lover and Susie soon imagines herself in the rythm, loving every surge of his massive frame. Pierre gives a tremendous display of power loving in four different positions, especially the back position, which Susie seems to love. Beautiful camera work, two beautiful people, and wonderful intimate close-up shots of fabulous love-making.

I smiled. All this talk about fucking and spunking had made me very randy again, and I dived down between her long legs and pushed my tongue all the way into her cunt and started to suck her out all over again. I was half turned towards her, and while I was sucking out her thick cream from her tight hot hole, she was using the fingers of her right hand and playing with my bum, then she slipped three fingers into my cunt and wanked me off while I carried on flicking my tongue in and out of her hot pussy tube.

We both soon reached a great orgasm, and by this time we were both covered in juice, and when she suggested that we go into the bathroom and have a shower together, I jumped at the idea.

She turned on the shower and we both stepped under the hot streaming water, then she picked up a bar of soap and very slowly, and with a great deal of feeling, she washed my cunt for me, and then I did the same thing to her, although I took it just one stage further, and I pushed the bar of soap all the way into her tight cunt and wanked her off with it.

Great thick streams of lather all mixed up with her cunt cream came flooding out of her pussy hole, and a very nice sight it was as well.

We then stepped from the shower and dried each other off, and after that she sat on the loo while I watched. I'm not really into that sort of thing, but it is very nice to see once in a while. She was a little disappointed that I wasn't into real water sports, but she said that when I moved in she would teach me all about it and show me just how much fun it could be and I said that I would look forward to that very much indeed, and then I took her by the hand and led her back into the bedroom.

As soon as we were on the bed, we rolled over into the 69 position with me on top, and I parted her crinkly cunt lips with my fingers and pushed my tongue all the way inside her and once again I sucked out a great deal of her thick cunt cream, and while I was doing that to her, she was doing the same thing to me, and her tongue gave me a great deal of pleasure as it fluttered about inside my tight cunt hole.

My tongue went in and out of her hole as fast as I could make it go and once again at least half a pint of her thick juice was inside my stomach by the time I pulled my face away from her pussy. I then picked up that thick candle and fucked her with it, and I pushed it in really deep and gave her a great many climaxes.

I moved in with her the following day, and we fucked with each other every single night for a fortnight, then we agreed that while we were fucking with each other we were also losing out on thick stiff cock, and so we then agreed that she and I would only fuck every other night, and that between those times we would go out and fuck with a man.

It was a great system, for on even numbered days I would have a cock inside my cunt hole, and on odd numbered days she and I would fuck with each other till sweat was dripping from us, until both our cunt holes were drained of juice. It was known as having the best of both worlds. She taught me many things, and I taught her many things as well. I showed her how to lift her tits up high in the air and then take her nipple into her own mouth and give it a good sucking, and she was as good as her word, for she taught me all about the art of water sports, and I came to love our little sessions together in the bathroom.

Yes, the best of both worlds is what I had after I moved into that flat with her. I had cocks one day and her tongue the next. We are thinking of arranging a little orgy at the flat and inviting men and women along. I have always wanted to take part in an orgy, for I want so much to be fucked by two or three men at the same time.

Before I end I must tell you about one thing she did to me, one thing that really got me going, really had me panting with lust.

She crouched down over my face so that her cunt lips were just a few inches from my wide open mouth and then she reached down with her right hand and very slowly wanked herself off, and this meant that her cunt lips started to pout like hell and also that her thick juices streamed down from the depths of her hole and showered into my mouth. It was the best way of drinking down cunt cream that I have ever known.

After she had wanked herself to an orgasm, she rolled from me and then bent down and used her tongue to lap up her own juice from my forehead and from my eyes and from my cheeks, and the mere fact that she was doing that, that she was licking her own cream from my face, had me screaming with pleasure and gave me some fantastic orgasms.

So, that's my story, that's how I found a perfect lesbian lover by looking for a flat to share. We fuck whenever we can and in between we go out and look for men and get some lovely stiff cocks into our tight little cunt holes. I can't think of a better way to spend your life, can you? Fucking with another girl, then fucking with a man. It is a dream come true. Cunts and cocks, cocks and cunts. What more could a randy girl like me ask for from this world, eh?

It is wonderful, spunk one night, cunt cream the next. I've never been so happy before in my life. I have all the sex I could possibly want.

MARY MILLINGTON'S BLUE CONFESSIONS

We present here stills actually taken on the location, featuring actresses who appear in, the film 'MARY MILLINGTON'S TRUE BLUE CONFESSIONS' – though these are not actual stills from the British version of the film. These photos were taken during a blue movie sequence in the film. Due to its controversial and explicit nature this film may never be shown in this country. However, we'll keep you informed – all we can say is that if it ever shows in this country DON'T MISS IT!

This film features: SCENES from Mary's early BLUE MOVIES.
HER FIGHT FOR LESS CENSORSHIP
THE REAL FACTS BEHIND HER TRAGIC DEATH
SEQUENCES FROM THE MAKING OF BLUE FILMS
DETAILS OF HER SEXUAL LIFE – re-enacted by her 'double'
MANY OTHER EXPLICIT SEX SCENES featuring 'dozens' of NEW models.

LOOK OUT FOR THE POSSIBLE SHOWING OF 'MARY MILLINGTON'S TRUE BLUE CONFESSIONS' – This film has been sponsored by WHITEHOUSE MAGAZINE, Britain's most controversial sex magazine. They were sickened by Mary's Tragic death. Whitehouse Magazine has made this film as a Tribute to the greatest sex symbol this country ever produced and to show the British public the real facts behind her death – NOT the Whitewash which appeared in the National Press! CONTACT FOR SEX

Do contact magazines work? Well, we received this story from Jack who uses contact magazines a great deal and going by what he has to say we would think that contact magazines are the greatest invention since sliced bread.

I use contact magazines all the time now. I've always had a reply to letters I have written, and from them I've got some really good sex with some beautiful looking women.

But I'll never forget the first time I used a contact magazine, like they say, first time is best, and I can assure you that my first time was very good indeed. Let me tell you what happened.

I went into the Private Shop in Upton Lane and found they had a huge selection of contact magazines there; the guy behind the counter was very helpful and he gave me some good advice as how to reply to ads in the magazines.

I took them home and glanced through them, then I read them through very carefully. One ad really took my attention, it was from an eighteen year old girl who said she wanted fun and games, a girl who liked sucking cock, a girl who liked men with big pricks. For an eighteen year old girl she most certainly knew what she wanted out of life.

I sat down and wrote a letter to the girl and sent it to the address in the contact magazine and enclosed my forwarding fee, which was a very reasonable amount of money considering the valuable service these magazines perform.

A few days later a letter plopped through my letter box onto the hall carpet, and I opened it and to my pleasure I saw that it was from this eighteen year old-girl in the contact magazine.

It seemed that her name was June, that she had liked my letter, and she then gave me her address and told me to call round and see her in two day's time, she said we'd have a little chat, and if she liked the look of me then we would have a nice fuck for the rest of the night.

I was overjoyed, the first time I'd tried a contact magazine and here I was almost set up with an eighteen year old bird. I had thought that contact magazines were a rip-off, that the ads were not genuine, but it was obvious to me now – and the girl's letter proved it – that the ads in the contact magazines were very genuine indeed.

Well, a couple of days later I was in my best suit knocking on the door of her flat on the other side of town. She opened the door and I gasped with pleasure, for she was even more beautiful than her picture, then one which had been in the contact magazine.

She had short blonde hair, a lovely face, and the sweater and jeans she was wearing did a lot for her glorious figure. She invited me in and we sat in the lounge and talked for a little while, and then I asked her why a good-looking woman like her needed to advertise in a contact magzine to get sex.

"I'm a model," she replied. "I travel all over the country, I just don't get time to find men to fuck with. I'm that busy. So it's only through a contact magazine that I can find men. I'm not the only one who does it, a lot of other models that I know also advertise in those magazines."

Well, she must have liked the look of me, for a few seconds later she stood up and suggested that we go into the bedroom and see how we got on in bed.

Her bedroom was very neat with quite a large bed in the middle of the room. She sat on the edge of the bed and told me to undress, she said she wanted to have a good look at my cock before we got started, as so many men say they have large cocks, and when it boils down to it they turn out to have piddling little things. She said if my cock was big enough then she would undress and we'd fuck for the rest of the night.

I undressed and she smiled when she saw my cock, for I have one which is a good nine inches long and very thick, and most women like the look of it, and she was no exception. She nodded her head, said I would do very nicely indeed, and then she suggested that I make myself comfortable on the bed while she took off her things.

I sat on the bed with my back resting against the padded headboard and watched as she stood at the end of the bed. She flashed another sexy smile at me and then she took off her sweater. She wasn't wearing a bra, and her breasts were so fantastic they took my breath away. I would go so far as to say that she had the best pair of tits that I'd ever seen in my life, and in my life I've been lucky enough to see more than my fair share of tits.

They were heavy and ripe and quite large, but they didn't sag in the slightest. They jutted proudly from her body, and they were perfectly shaped. They really were a very beautiful pair of boobs. Her nipples were nice and tasty as well, they were pink in colour, a deep blushing pink, and they were very stiff indeed, so stiff that they stuck out a good half inch from her perfect tits. Yes, from the waist up this woman was very lovely indeed.

She stood there, then she used her hands and lifted her tits up a couple of inches and this caused her lovely nipples to stick out even more, then she flicked a couple of fingers over those stiff buds and shivered with pleasure. I was pleased about that for I do so like a bird who likes touching herself.

She played with her tits for a little while, then she reached down, unzipped her jeans, stepped from them, then she peeled her white lace knickers from her rounded hips, kicked them away, and then stood there stark naked

"I SUCKED HER OUT FOR SOME TIME FLICKING AND LICKING WITH MY TONGUE, SUCKING HARD ON HER CLIT WITH MY LIPS, AND SHE HAD A GREAT MANY ORGASMS..."

while I looked at the rest of her body, and it was well worth looking at, I can tell you.

Her legs were long, her waist slim, and she had trimmed down her pussy hair to almost nothing so that the delicate folds of her vaginal lips were almost fully exposed, and those lips were already damp with sexual excitement.

She then turned her back to me and I saw that her bum was high and rounded and that the cleft between her cheeks was very deep indeed, she must have known what I was staring at for she reached behind herself and pulled her bum cheeks wide apart and for a few seconds I gazed at the sweet little puckered hole of her anus, and that sight made my cock jerk like mad.

She turned round and then jumped onto the bed and she asked me what I thought of her body, and I smiled and told her she was fantastic, and then I asked her – a silly question really – I asked her if she liked having her cunt hole sucked out.

She nodded, opened her legs very wide and told me to help myself to her juices. I moved down her lovely naked body and by the time I pushed my face between her thighs, my cock was so hard that I thought I'd come at any second. So I took a couple of deep breaths, controlled myself, and then had a closer look at that pussy.

There were very large sticky drops of cunt cream on her puffed out lips now, and I used the tip of my tongue and lapped them up. She tasted hot and salty and musky, just the sort of cunt cream that I like, and as my tongue moved up and down those fleshy folds, she shivered all over and gave a low moan of sexual pleasure and more drops of juice dribbled out onto her lips from the depths of her hole.

I then used my fingers and pulled her cunt lips wide open and a sudden spurting shower of cream jetted out all over my face, and that cream was really hot and sticky. I took another deep breath and then shoved my tongue all the way into that wet hole of hers and started to suck out as much of her juice as I could get into my mouth, and as my tongue went very deep into her love nest, as the tip of my tongue waggled about over her fleshy walls, she shouted out loud and a massive climax shuddered though every single part of her naked body.

I sucked her out for some time, flicking and licking with my tongue, sucking hard on her clit with my lips, and she had a great many orgasms, and she was writhing about so much as she yelled for joy that it was very difficult to keep my tongue inside her all the time. But I had to admit that she had the juiciest cunt hole that I'd ever had the pleasure of sucking out.

I moved away from her cunt hole, she was still stretched out, her body jerking with pleasure, her cunt lips gaping open, and a thick stream of bubbling juice dribbling and trickling from those fabulous cunt lips of hers.

"Fuck me," she gasped out. "Shove your cock into my cunt and fuck me. Please fuck me, I'm dying for it."

How could I refuse such a request? I got on top of her and slipped the full length of my thick cock into her nice tight cunt hole, and I pushed it so far in that my hard tight balls were pressed up against her floppy vaginal lips. It felt really nice like that, I can tell you.

She shouted and yelled as my cock went in and she clawed at my back with her fingers and at the same time she locked her legs round the small of my back and started to jerk her bum up and down just as fast as it would go.

I could feel her hot juices bubbling away round my shaft, I could feel her cunt walls clamping down, and I could feel her labia throbbing away against my balls. She had the perfect cunt hole, I'll say that for her, the most perfect type of tight cunt hole that I'd ever pushed my stiff cock into.

She was going at it like the clappers, heaving up and down, yelling with pleasure, wriggling her bum about, and her nipples were getting stiffer and harder with each passing second, and that cunt juice of hers was getting really hot and thick.

I hammered away for all I was worth, really plunging my cock deep into her hot cunt. My glans was pounding against her cunt walls, my balls slapping against her labia, my shaft fucking away like crazy, and all the time her long legs were wrapped round my back and the pressure was so great I thought she was going to break my back in half. She may only have been eighteen but she knew everything there was to know about fucking, yes indeed, she knew the lot.

My prick started to jerk and she knew I was about to come and she helped me along the way by really slapping down with her tight cunt walls along the entire length of my shaft. I shouted with pleasure, gave one final thrust deep into her hole, then I flooded that lovely quim of hers right up to the brim with my thick hot spunk.

As that white stuff of mine flooded into her, she yelled with sheer delight and had a gigantic orgasm, and her cunt muscles rippled up and down my shaft till she was sure I was empty and drained dry.

When my cock had gone limp, I pulled it from her hole and then wiped it nice and clean on her flat heaving belly. She was still gasping for breath, still trying to recover from that orgasm which had powered through her, and indeed the orgasm had been so intense that it took her a full five minutes to get her breath back. Then she opened her eyes, smiled at me, and said it had been one of the best fucks she had ever had in her life, and that she had never before had so much spunk inside her at one go.

I told her that she had the perfect cunt hole, and that it was very easy to fuck a quim like that. She smiled and then glanced down at her pussy and gave a little gasp of joy when she saw just how much thick white spunk was trickling from her labia and sticking to the inside of her firm thighs.

She reached down and used the index finger of her right hand to wipe up a very large drop of my spunk from her vaginal lips, then she winked at me, and a few seconds later she had popped

"SHE SWITCHED THE VIBRATOR ON. THE VERY LOUD BUZZING SOUND FILLED THE ROOM, AND THEN SHE GENTLY RUBBED THE GLANS SHAPED END UP AND DOWN HER PUSSY LIPS..."

that sperm covered finger into her mouth and she sucked it dry, then she went back for more, only this time she pushed that finger of hers all the way into her cunt hole and moved it about inside herself for several seconds, and when she pulled it out again her entire finger was coated with a very thick layer of hot spunk.

Again she winked at me, and again she popped that finger into her mouth, and again she sucked it dry, and this time as she swallowed down that mixture of cunt cream and sperm she had an orgasm, and quite a large orgasm at that.

In fact she liked it so much that she kept pushing that finger into her cunt hole, kept pulling out spunk, and kept sucking at her finger in her mouth till there wasn't a single drop of my spunk left inside her cunt hole. It was really an amazing thing to watch, believe me.

"I really do love that taste, the taste of spunk and juice," she said as she licked her lips.

"For an eighteen year old you know just about all there is to know," I said.

She smiled. "I'm a model," she replied. "We often have to fuck with people to get good modelling jobs. Yes, I do know it all, in my line of work I have to."

I moved close to her and bent my head down and I took her right nipple between my lips and sucked hard and while I was doing that she was using her left hand to pull and tweak at her other nipple, and between us we quickly brought her to another orgasm, it seemed to me that whatever you did to her she had an orgasm. Yes, she was a very sexy young lady indeed!

I stopped sucking at her tits and asked her what she wanted to do next, and she smiled and looked down at my limp cock and asked me how long it would be before I was ready to fuck her again, and I smiled back at her and said it would take me about ten minutes. She then asked me if I would like to watch her wank herself off while we were waiting. Now I like to see women wank off, so I told her to go ahead.

She reached under the pillow and produced the biggest bloody vibrator that I'd ever seen. It was fucking huge, so huge that I wondered how on earth she was going to be able to get it all into her tight cunthole, for that thing made my prick look like a little finger! It was shaped like a penis and made of plastic. I shook my head in amazement when I saw it, and she must have known what I was thinking, for she said that as long as she was well and truly lubricated that her cunt would stretch to take in anything at all, and that once, a couple of weeks ago, she had actually wanked herself off with the neck of a champagne bottle – and we all know how bloody thick those are, don't we?

She switched the vibrator on and a very loud buzzing sound filled the room, and then she gently rubbed the glans shaped end up and down her pussy lips. She didn't push it in right away, she just rubbed the end all over her cunt lips to get her juices flowing again, and as the vibrations from that monster weapon went through her cunt, she shouted out very loud indeed and had another great orgasm, and as that orgasm ripped through her flesh, her cunt juices streamed out with such force that it looked as if she were pissing herself. She wasn't of course, but there was so much juice coming out of her tight hole that that was what it looked like. It was the sort of sight that you remember for the rest of your life.

Then she winked at me again, and she very slowly inserted that massive vibrator into her cunt hole and started to wank herself off. At first she slid it in and out of her cunt hole very slowly indeed, and then she speeded up till her right hand was flashing backwards and forwards and that thing was slamming in and out of

"SHE WAS ABLE TO GET THE ENTIRE LENGTH OF THAT VIBRATOR INTO HER TIGHT CUNT. LIKE SHE SAID, HER CUNT WALLS MUST HAVE BEEN VERY EXPANDABLE INDEED..."

her cunt just as fast as she could make it go, and I was really astonished that she was able to get the entire lenght of that vibrator into her tight cunt. Like she said, her cunt walls must have been very expandable indeed.

She had her eyes closed by this time, her head was rocking from side to side, her tits were heaving up and down, and her magnificent nipples were so tight and hard and stiff that it seemed they would explode at any second.

Then she came, and she came again and again as she pushed that thing ever deeper into her tight cunt hole. Her lips, those lovely vaginal lips, pouted out all the way, a great stream of cream came gushing out, she yelled and shouted, and the most amazing orgasm went through every nerve and fibre in her beautiful naked body. I've seen many women wank themselves off, but this was the best, but the best, exhibition that I'd ever seen in my life.

She slowly pulled the thing out of her cunt hole and then handed it to me. I knew what she wanted me to do with it, and I was very happy to so do. I raised it to my mouth, poked out my tongue, and then I very slowly licked every last drop of her thick sex cream from that shaft of that thing, and as her juices went down my throat, my cock started to get nice and hard again.

She smiled when she saw what my cock was doing, and she licked at it with her tongue, pulled at my balls with her very gentle fingers, and then sucked my glans inside her mouth, and then to make sure that my cock got really hard, she took it from her mouth and rubbed the head of it all over her face and then all over her breasts and nipples. Well, the end result of that was that my prick was ready for action again, it was stiff and hard and thobbing and dying to get stuck inside her tight cunt hole again.

CONTACT FOR SEX

Continued from page 64

This time she said she wanted to get on top of me, and I was all for that, I like having a woman do all the work every now and then, and so I stretched out on the sheets, my cock sticking up in the air like a stiff thick poker and told her to go ahead and do it anyway she wanted.

She faced me and then crouched down over my cock, but she didn't go all the way down, she just went down enough so that her floppy cunt lips were a couple of inches from the head of my swollen glans, and then she reached down with her right hand and slipped two fingers up into her cunt and started to wank herself off. This meant that her thick cream dribbled from her cunt hole and splashed down all over my cock, my balls, and my belly. It was a nice feeling, and she wanked herself to an orgasm and by that time my lower body was thickly coated with her cream, and my cock was really sticky and hot and wet.

She then lowered herself all the way down till she was sitting on my lap, till the head of my glans was all the way up inside her lovely hot cunt hole, and even as my cock slid up there, she shivered and shook all over and had another climax and I felt her

"I'VE FUCKED WITH ALL SORTS OF WOMEN WHO ADVERTISE IN THOSE MAGAZINES, AND ONCE I EVEN MADE IT WITH TWO WOMEN AT THE SAME TIME..."

cream boil up round my shaft.

Then she started to move up and down on my cock, she did it slowly so that her cunt walls would come into gentle contact with my prick as she moved up and down like that. I reached up with both my hands and started to play with her firm ripe tits, and as I rolled her nipples round in the palm of my hands, she shuddered again and again and had some more orgasms. Now this may seem like one hell of a lot of orgasms to you, but this is the truth, this is what she was really like. As I said earlier, you only had to touch this young bird and she climaxed.

She bounced faster and faster till her tits were jiggling about so much that I couldn't hold them in my hands any more, it was a lovely sight to see those tits of hers going up and down like that.

She came again and again, and then she gave one last final huge slamming bounce down onto my cock and I shouted with her and my sperm gushed up my shaft and splattered out into her cunt hole.

She sat in my lap, just working her cunt muscles up and down my shaft making sure she was sucking out every last drop of my spunk, and the suction from the inside of her cunt hole was really incredible.

Then she rolled from me and she took my limp cock in her mouth and sucked it nice and dry for me, then she again poked two fingers into her cunt hole and pulled out some of my sperm and again she sucked those fingers dry inside her mouth. Yes, it was bloody obvious that she just loved the taste of spunk and cunt cream all mixed up together.

"Want to suck me out?" she asked.

"What, with all my spunk inside your cunt?" I asked.

"Yes," she nodded. "I'm kinky about that. Look, I suck down your sperm, and I also drink my own cunt cream, so why shouldn't you suck me out and drink down your own spunk?"

Her argument was logical, and so I went down and sucked her to an orgasm. Yes, I plunged my tongue into her cunt hole while it was still full of my sperm. I can't say that I liked it that much, but it wasn't as nasty as I had expected, and while I was doing that she had a great many orgasms.

Well, she was the first bird I ever contacted through a contact magazine, but she wasn't the last. I have used these contact magazines a great deal in the past few months and only once have I never had a reply to my letter.

I've fucked with all sorts of women who advertise in those magazines, and once I even made it with two women at the same time.

All sorts of very respectable people advertise in those contact magazines, and they do so as it is the cheapest and easiest way of meeting people.

I have started to advertise, and my first advert brought me in thirty replies, yes thirty replies, from women who wanted a nice thick cock.

Never again will I think that these magazines are a rip-off, for I know from personal experience that they are all genuine, and as long as you write a nice polite letter then you are sure to get an answer. The secret is in writing a good letter, in telling the truth, and keeping the letter nice and short.

Like I said, only once didn't I get a reply, and I should think that was down to the post office. Yes, I've had a great deal of fun from answering adverts in contact magazines, and I've had more than enough sex from the ladies I've met, and not once did any of them mention the subject of money. It was all for free.

So if you want a nice woman, if you are looking for a nice tight pussy hole, then buy some of these magazines; or better still put an advert in yourself, for I know for a fact that hundreds of women read them.

SHORT CUT TO SEXUAL PLEASURE!

Two different sex aids for every female, at a very special price.

SEXY LOVE EGGS

The Orient's favourite sex turn-on consists of two light balls with heavier balls inside and joined with twine. Geisha girls still insert them in their vagina to become sexually excited before performing their love arts. We call them *love eggs* and their popularity is world-wide.

RUBBER VIBRO

Today's advancement in technology and electronics has had its effect, even on sex. The best example of this being the vibrator. The best vibrator is the *soft bendable* type. Comfortable for the female because, unlike the solid version, it gives with the ecstasy of the orgasm.

BIG CUTS TO PLEASURE

Because of bulk purchases we now have vast stocks of both and are passing the savings on to you.

STUDIO BLUES

Continued from page 8

and no sooner had she rolled from me after reaching her orgasn, than I would dive onto Sue and push my cock back into her cunt hole. Yes, a great three-way fuck, don't you think?

My cock was deep inside Sue's cunt hole when I came, and I flooded her with spunk, then I moved out and Kate sucked my cock dry, then Kate went down and used her tongue to lap out all the stuff from inside Sue's pussy hole. Yes, you're right, while they were doing that I picked up my camera and took some marvellous shots of Kate's tongue lapping the sperm from Sue's cunt hole.

Another model of mine, one who poses very well indeed, and one I must tell you about, is Tina. She is French, or part French, and the best cock sucker in the business. She poses very well, and her favourite pose is to lift both her tits up with her hands, lift them up as far as they will go, and then take her nipples into her mouth one at a time and give them a really good sucking, and like most men I just love to see a naked lovely woman sucking on her own tits.

Then there is Jenny, now she is a right nympho, and she always fucks with me before the session, during the session and after the session. I don't book her very often, for after a session with her I'm knackered for the next three days.

Then there is Lena, now her I must tell you about, for she is really something. She loves to wank off with a wine bottle while I take pictures. Yes, she pushes the long thin neck of that bottle deep into her pussy hole, and then wanks off till she reaches an orgasm.

When she does that sort of thing some of her thick juice always collects in the bottom of the bottle, and she then raises that bottle to her lips and drinks it dry. Yes, I have some wonderful pictures of her drinking her own cream from that wine bottle.

I have a good life, I earn a good living taking pictures and selling them to various magazines, and I also get to fuck with some very beautiful women during the course of a day's work.

It is an ideal life. You can take it from me that when you open the pages of a girlie magazine that the girls you see in there, naked girls in erotic poses, have either just been fucked by the photographer, or are thinking about being fucked as soon as the session finishes.

The best girls are the ones who are fucked beforehand, and if you look very closely at some of the pictures in this magazine, if you look very closely indeed, then you'll just be able to make out traces of sperm inside the girl's pussy hole. Don't just take my word for it, hold the page very close to your face and take a long look. I guarantee that if you look hard enough, and long enough, you will most certainly see traces of thick spunk inside some of the wide open pussy holes of the girls who are featured in this magazine.

Well I've got to get back to work now, Trisha is waiting for me in the studio, she is already wanking herself off with her fingers so that her cunt will be nice and wet when I point the camera at it, and knowing Trisha, she will want to have my cock inside her pussy hole before the session is over.

Like I said, I have a great life. I'm thinking of retiring in a year or so and handing over my studio and my girls, my sexy nympho girls, to whoever makes the best offer. I don't suppose that any of you reading this would be interested, would you?

THE RANDY CONNECTION

Now look, fellers, I'm a real liberated gal from L.A. California, and I know men – boy, how I know men – but I tell you you Britishers are the horniest devils in existence! Maybe I don't have to tell you. Because you know: I mean, guys, sitting there and nursing a sullen erection, you just got to know! Still, I figured I'd tell you how you rate sex-wise. You are so horny! God knows it isn't as hot right here in England as it is under the Californian sun but you sure got heat in the genitals. I came over a for a three months vacation and I've been laid nearly every day of that period, sometimes three and four times in the same day and often by different guys. But I'm not complaining. I've got some real randy yarns to tell the girls back home – all about the horny British...

London, England, was the first city into which I took my sweet flesh via Heathrow and I guess I should have known at the customs that horn was in the air and that the average Englishman can detect the odour of cunt a mile away. Come to think of it, so can the Scots – and the Welsh – and the Irish. Yeah, I visited all those places and had my knickers taken down by impatient male hands.

Now in L.A. the sexual freedom is really something but I have to tell you that some of our men fall down on the job of screwing the mush into a frenzy of little wet muscles all tearing towards an orgasm. What we American girls need is more orgasms. We don't need semi-masturbatory tickles with a limp penis on our hot inner fleshes.

But let me tell you about what happened to me in London. I was intact – not virgo intact which is absurd for a blonde bird of twenty-two who has had the heats for years – but intact in the sense that my flesh got to the hotel without adventure. But then it happened.

I met a guy in the hotel lounge. Well, he smiled at me, a tall lean Englishman with a long horse face and greying hair. He was about thirty-five and virile. God, I discovered how virile! He was my first horny Englishman.

He came to my room only minutes after I opened my travel case and introduced himself. "I'm the son of a belted Earl but don't let that concern you. Just call me Dennis..."

Now in the USA all heros are called Joe. You have just got to watch a movie to realise that. Or if it isn't Joe it is Sam. So Dennis was nice.

His grey eyes roamed my body, feeling me visually. Well, I was clad in tight stretch pants – and under them I wore equally tight pink briefs – so that my cunt skins were kinda kissed all the time by nylon and that made me randy. And my full fleshy boobs were cupped in this damned randy nylon, too. Don't you think that nylon is the randiest thing ever invented? It used to be silk.

You see when a girl sits on pink nylon her cunt-flesh gets all erotic and warm, yearning for some cock-satiation, I suppose. Well, I wasn't even sitting when I got this randy urge. I was standing, staring at this guy, seeing the wiry body in the Saville Row suit. But immediately – I mean immediately – the hot sex-flushes warmed through the quivering little fleshes inside my pussy-space. It was a kinda sex-sensation. I got randy and he got horny.

Don't ask me how to explain this instant sexual rapport. All I can say is that all the British guys I met were like that. Now don't get me wrong. I'm not knocking our USA men. Aw, hell, I wouldn't dare because I've got to return to Stateside and some nice peenies – I hope!

Everything is a general impression, isn't it? And I got the impression that sex was

everywhere in Britain and that the guys were the horniest ever.

Take this Dennis, for example. He followed me up to my room – and the baggage clerk – and here he was with an instant hot for my flesh. Anything he said was simply verbal trimmings. Mind you, he said it in that quaint English accent.

"I'd like to fuck you. I felt it the moment I saw you in the foyer..."

So bold, you see. And the lovely Anglo-Saxon use of the four-letter word! He wanted to fuck me! How delightful! Well, I realise all men want to fuck but saying it so candidly as this really throwed me.

"But I don't know you!" I flashed. "I mean, I got to know a guy before he mauls me in sexual heat."

"We do know each other," he smiled. "The sexuality is there – in our flesh – part of us – throwing out an aurora of come-and-get-it! Don't you feel it? But you must – I know you do!"

As he'd told me his name I figured I had to help him towards this sexual rapport. "I'm Martha O'Hagen. My great grand-pop rode a covered wagon all the way to California."

"I said I had this terrifying urge to screw you," hissed Dennis. "Not to listen to your life story, you lovely blonde witch!"

And with that he grabbed at me. Well, that was it. The touch of a firm masculine hand is all I need to get going. There, with my cases still on the floor, I was hustled into a sexy embrace with this strange guy. Of course, being the son of an Earl might have helped, but I think it was his exposition of instant sex that got me.

I love instant randiness. So it follows I adore instant horn in a man. I was lost as his arms held me and his mouth hunted a wicked kiss onto my lips. As kisses go this was a ravaging thing, a conquering mash of mouths, creating instant heat lower in our bodies and requiring no explanation. He wanted me and so he would get me.

It was the first time I'd got into a sexual situation with a total stranger. I'd screwed fast with guys Stateside but I'd known them at least twenty-four hours.

I was pressed down to the bed, a wonderful savage feeling as the instant sexuality surged through my cunt and tingled the nipples of my tits. I was tearing into a gutsy feeling of sheer wanton behaviour, a lovely sensation of utter surrender. I had the feeling that the cave-women felt like this as some big horny monster took them within seconds of colliding. Not that Dennis was a monster.

We rolled over on the bed, his hand hard on the cleft between my thighs, stroking more heat into the flesh and nylon. I was terribly warm. Deep in my cunt I felt like a furnace. I wondered if the nylon would shrivel!

But we progressed in this instant sexual assault to sheer nakedness. He whipped off his immaculate suit – and all the bits and pieces like fancy underpants. God, do Englishmen wear fancy underpants! His were patterned in many colours, like something to inflame a bull in a bull-ring. Maybe he figured the blaze of randy

colours would do that to me!

But I'm not a bull. And you won't catch me out there! I'm not going to say I'm a cow! So there! What I mean is that fancy pants are just something to cast away and reveal the true nature of the beast.

Which is what the guy did. And I saw the raw hooked length of meat for the first time – an English cock! It was lovely!

Getting out of my tight stretch pants is always a problem, but Dennis helped by tugging at the ends as I lay back and wriggled. God, how I wriggled – and I induced such randy flushes of sexual heat inside my sex-lips that I was frantic with desire.

By this time I realised how my vacation would work out in Britain. I knew in a flash that I'd be laid everywhere. So I might as well make a start.

Pretty quickly mutual nudity was attained and we went into a lovely hot battle over warm flesh, his and mine. He rammed a feeling hand to my mush and I grabbed at his thick fuck-tube and held it viciously. I love the stiff feeling of a peeny in the hand; love to feel the inner pulses.

I suppose Dennis, son of a belted Earl, was getting some exultation out of scouring my hot slit because he had three lean fingers right inside the quivering pink fleshes in no time.

I knew, however, that feelies were not his only game and I was right. He practically leaped at me again when he parted my long fully-fleshed thighs. His solid length of English cock rammed like an invader into the O'Hagen flesh – and I mean the moist genital hole, what else!

I lay back and panted, moaned my love song. He thumped his lean hard belly at me again, and as his cock was solidly attached to his anatomy the thing sank out of sight at this first brutal push. The invasion had started. No wonder that Englishmen conquered half the world in ages past! Of course, they were helped by the Scots, Irish and Welsh. But you do not want a history lesson. Leave that to the campus.

The only lesson that Dennis was teaching me was that a woman is born to be subdued. I mean, the penis is such a tool! It penetrates – digs into flesh – teaches the bitch that no matter how liberated she may feel, she is flat on her back to be subdued.

So I took it. I felt the furnace in my cunt rise to a maddening temperature. He made me moan a weird love song. He pumped away and I heard the crude dredging sounds emerging from my genital hole as liquids merged and pumped back and forth. Everything was so basic. The orgasms were so real. The little ripples in my vaginal flesh came in wave after wave. My clit was really punished. My backside cheeks were nearly torn apart by this ravaging Englishman. Then I felt him spit his male gift to the hot ends of my fleshy territory and knew he'd be a limp grunting man in a few more moments.

Ah, the experience is always the same – and the aftermath of sex is always one of reflection. I lay back, his tool still stuck in me, and he rested on my soft silky belly.

"I don't know you," I murmured.

"A fuck from a stranger is the spiciest thing of all," he answered.

"But convention demands we know each other. This is brute sex..."

"And isn't it nice?"

"It's primitive..."

"I knew we'd both enjoy it the moment I saw you enter the hotel," he said casually.

And that was my first screw in Britain, but not my last as I have hinted. I left London three days later after shagging with some lovely men and I journeyed to Edinburgh.

Oh, that marvellous castle on the hill! And the sight of kilts and sturdy male legs – and the sultry thoughts of all those travelling peenies so hidden! I liked Princess Street and the cute shops, the glimpse of the sea from the Scott Monument.

But I tell you I got laid two hours after leaving my hotel in that wonderful city. Well, it wasn't as fast as the hotel experience in London, I admit. Still, it was different.

I went into the castle just like an ordinary visitor and wandered around the ramparts, thinking of all the horny sex that must have taken place over the centuries in this utterly wonderful old castle. Mind you, I thought that maybe Walt Disney could have improved it. I mean, darlings, how about a hot-dog stand somewhere? And no popcorn!

Then I saw him, this big guy in the kilt, all whiskers and beard and a stern Scottish visage. He looked at me as if his eyes were under my filmsy dress and feasting on the stockings and suspenders, the creamy thigh flesh and my pretty frilly knickers – the wide-legged ones. I smiled back. Well, I recognised the sex-call. It was this instant horny game again.

"You are alone?" he murmured.

"A single gal," I said musically.

"You run big risks taking flesh around here. You shouldna walk by yourself. By the beard of McKay I can detect the odour of cunt a mile away – and so can other Scots."

"Does it smell?" I asked innocently.

"Och, you know sex is an intangible thing – or at least the scent of sex is."

He led me down into some dungeon. The place was lonely with walls ten feet thick and the feeling was of centuries slipping away. Now a solid stone cavern is hardly a luxurious pad and there was only one way I'd be screwed and that was in a standing position. It was a good thing I wasn't wearing stretch pants!

"You're a stranger," I gasped. "A Scot – a Strange Scot! Am I going to be fucked by a stranger again?"

"We dinna have to be strangers," he murmured. "I'm William Harris. Call me Willie..."

And that was the only introduction, unless you call a horny peeny shoved into my hand a bit later an introduction. As by this time I was used to horny Britons, and expected nothing else. The background of Edinburgh Castle was new, however, even if a thick prick wasn't. I thought of all the randy yarns I could spin when I returned home to L.A. My goodness, the girls would be jealous! A fuck in an ancient castle!

Willie pawed into my flesh via the wide-legged knickers, creating the nice juicy heat so necessary. When he kissed me I thought he was making a meal of me. His whiskers were rough and sexy on my face. His breath was hot and lustful, like a primitive man. Soon I felt this was the fuck of all fucks. Or was it just because the last ten screws had all been on beds back in London?

Yes, the whole thing was grotesquely primitive, not merely because of whiskers on my face and a thick cock stuffing me but because the stone walls all around me shut out time and space. We were basic humans, back across the centuries, and maybe I was some wench being screwed sick by a conquering Scot.

Now the kilt is a wonderful thing. Don't ask me to explain how he got his thick length of meat near to my soft inner flesh. He did. And he didn't take his kilt off. The Scots have more tricks up the kilt than

you'd believe!

But a raw hot fuck is just that, no matter who delivers the thing. And as he pistoned up and down my USA creek, making the liquids surge, he crooned some weird Scottish love moans to me as he held me.

His length was deep in American territory, way past the flimsy defences of the frilly wide-legged stockings, and I loved the guy. Now you can say that that is ridiculous. How can a girl love a stranger just because he is fucking the flesh?

Well, I have a theory that is as bizarre perhaps as the Instant Sex theory, and that is that a girl must love a man when he is inducing such lovely randy flushes throughout her system. Sex is love. Love is sex. The two collide even if it is only for some mad moments as cock probes cunt. A girl can love a man and his cock instantly. Mind you, maybe she will wonder at the crazy theory some ten minutes later – but that is another story.

So Willie loved me and I loved him. I liked the rough sex he was providing and he liked my flesh wrapped around his cocky stem. He went at me as if he'd been up a mountain for years and had forgotten what a female looked like.

As he pistoned away, I just accepted the gift of horny sex, thinking that this was part of the British scene. So girls beware! I mean girls from USA. Prepare for instant cock the moment you hit the shores of Great Britain.

He was the type who spits semen, pauses for five seconds while he grunts and then goes off again on another non-stop hacking at the tender vaginal flesh.

I thought, how long can he go on? The orgasm rippled away and the thrills inside my cunt lay idle. Then the lovely pleasure started to shudder again and I felt delicious. I thought madly, in some sort of sexual fantasy, that I'd live the rest of my days in a dungeon in a Scottish castle on a hill with a huge monster peeny creating new dimensions in my flesh.

But it was only Willie enjoying himself and even he had to cease this sexual rhythm. He groaned as more spunk splattered somewhere up my creek and then he held me, resting. As for myself, breathing hard, tits moving up and down, I clung. I had some advantage in this tussle because my plump backside was hard against the dungeon wall.

Now it was all experience. I do not advocate fucking in a dungeon. Just call it adventure. You see, when other people talk of castles I can always look back with randy relish on the primitive shag I was given in Edinburgh.

I stayed in the town for two days and then I went to Newcastle-upon-Tyne, just over the Border – well, some eighty miles just over – and although I didn't get the freedom of the city for the next week I did get some marvellous horny cocks. You see, dear folks, these guys are a mixture of Jock and English, a tribe who live their own wonderful lives on the banks of the river Tyne.

I've always found that a cold climate produces some really hot tools and this was the case in the area they call Geordie-land. I met a docker down on the quay and a director of an optical works in Gosforth. All the best people live in Gosforth! Well, to an American dame, they are just as sexy! Then I met a little jockey at the races and he taught me that all good things are not always huge.

After that I travelled down to Birmingham, that sprawling town they call Brum, and it was here that I nearly got another instant fuck.

I was standing on a bus, which was full. Don't ask me why I got on to a bus. Back home only the poor, the dark-skinned civilisation we are breeding out here in L.A. use this transport. I think some guy told me to try travelling by bus was an experience. Well, it certainly was!

I mean, when a man presses to you in a crowded bus and there is no way you can turn the female shape to avoid that hard horn digging into the rear cleft, what can you do?

I just let it rest!

But I am used to instant fucks, as you know.

For those who are not, let me say that this guy was big and burly and what you folks call 'working-class'. God knows what that means. I am a working girl, bringing down some four hundred bucks a week – and I don't mean fucks, pal. As that is a mere two hundred pounds approximately, I must be a working-class girl. What is money? Just something you can measure like cock!

I let his prick rest in my cleft for the whole of the journey. It felt nice. Not quite an orgasm – but then it did not really penetrate anything.

After Scotland and England I just had to visit Wales because I had heard of the lovely choral singing. I booked in at a hotel in Caernarvon, looked at the wonderful – just wonderful – castle overlooking the Menai Straits and thought of the joyous investiture of Prince Charles some years ago. I didn't go inside the castle. I'd had one experience of sexual adventure in a castle. So I went down to the beach as quickly as I could get out of my hotel – and within five minutes I was laid. Another instant fuck, this time by a Welshman.

Oh, you Britons, what a proud race – and how you love that instant shag. There I was just walking casully along the deserted beach with only the sea-birds above and the evening sun when suddenly two male arms went around me and a voice moaned, "Lovely Olwen – Bor Rah Dah!" Well, it sounded like that!

The trouble was my name isn't Olwen. Still, the male hands were cupping my tits in seconds. That was the start of the instant fuck, I think. But in all fairness I had to tell this guy that I was an American female from L.A.

"Hey – I'm Martha!"

"I thought you were Olwen... you have titties like Olwen!"

"All females have titties, pal..."

"But soft – succulent –" he argued.

I loved his Welsh tongue. So beautiful! But within five minutes I was being laid in the sand and I loved his penis!

THE RANDY CONNECTION

Continued from page 80

He was raging with a lovely horn even before he put his arms around me, because apparently he had been thinking lustfully about this Olwen. So he just had to lay me.

His name was Terance something. I can't remember the surname. I couldn't pronounce it. But Terance had plenty of Celtic sexual fire and as we sank into the sandy hollow he worked on my rising randiness. Right there, under a grassy slope, the sea lapping up the sand, he searched for my intimate flesh and found it.

I swear there wsa so little I could do to stop this instant sexual adventure. For one thing, I didn't want to stop him and for another I'd got conditioned into thinking all British sex was instant!

So he fumbled with knickers and tights – I was wearing on this occasion – and he got them down and cast them to one side. On that clean sandy beach my garments, all USA made, looked incongruous.

I won't start any controversy by suggesting that Terance the Welshman was any better at screwing than Willie or Dennis or any other of the dozen guys I'd enjoyed since hitting Britain. But he was good. His rod of genital flesh went at my pussy, messed it up and nearly liquidised it.

Right there in Caernarvon, the lovely old town of North Wales, I got my ration of semen. I didn't actually hear songs sung by a choir but bells were ringing in my head as the thrills chased through me.

I stayed there for four days, journeyed to Anglesey and to Pwllheli. I got a lovely prick in Pwllheli, which figures, I went to Betws-y-Coed and got laid again at the Swallow Falls. Everywhere I went I met a horny Celt.

All part of the once powerful British Empire, I guess. So I took a train to Holyhead and then a boat to Dublin.

I felt pretty sure my sexual adventures would continue in Ireland – or should I call the place Eire? I will. Eire!

With such romantic people as the Irish I didn't yearn for some ordinary fuck in a hotel bed so I avoided all the men in the hotel, which was hard because they all had hot underpants for me it seemed.

O'Connel Street was full of horny men, but beautiful with it. Even the library was a sexy place as I discovered when I wandered in to find me a book on Irish history.

He was lying there in wait for me, I swear by all the Gods. Somehow the legend of the instant fuck and Martha O'Hagen had proceeded me. How could this be? It was impossible. But it happened. And right there, behind the library shelves.

As I rounded the tall shelf, so laden with books, he grinned at me, his Celtic face so handsome it made my heart leap. He put the book away. "Come here..."

"But this is mad!" I gasped.

"But it will be so enjoyable. I'm Peter Mulligan..."

"You talk as if you knew me..."

"Somehow I do, me darlin' – but don't ask me to explain. I saw you enter the building and I said to meself there she is! She's the one for me."

Do I have to admit that it happened, right there behind the tall shelves of books where no one could see us! Well, it was instant and it was fast! How long do you need, pal?

When my dress fell down to my knees again and the seed was lodged hot and satisfying up my soft hot slit, I kissed him and asked: "Isn't this crazy?"

"Totally!"

"Why a library on O'Connel Street?"

"Why not? You walked in – I looked – we joined – and that is that. I want you – permanently."

"Permanently? But I thought all shags were just instant around these islands and instantly disposable..."

"Not this time, darlin'," he grinned. "I'm grabbing you."

It had to be in Eire. He had to be Irish.

I mean with a name like Martha O'Hagen what else could happen but I'd meet my guy in Dublin?

He's returning with me to L.A. but I bet he won't stay. He'll take me back to the fair city of Dublin and the fucks will be instant and legal.

That's the way he wants them! I've told my adventures to the girls back home for the last time!

Dear Editor

My girlfriend, Janet, works in a Sauna in London. Now I know she wanks her customers off, but that doesn't worry me in the least, after all, what's a hand job between friends? As long as she doesn't let any of them shove their cocks into her lovely little tight pussy hole then I don't mind at all.

Of course, wanking all those men off all day and every day has made her a real expert. She's bloody good with her hands, and when she wanks me off it is real heaven.

Janet is a good fuck as well, and if she isn't too tired when she gets home from work we always have a very nice fuck before she gets the dinner ready. Sometimes she tells me about the men she has dealt with in the sauna that day, and she gets quite randy when she describes their cocks to me, and she gets even more randy as she tells me about how their spunk spurts out into her hand when they come.

She loves spunk does Janet, and she likes nothing better than to have me wank off all over her tits so she can watch my glans get all swollen and hard, and see the sperm jetting out from the slit and going all over her lovely tits and very stiff coral coloured nipples.

She told me about one guy in the sauna who insisted on wanking himself off while she watched, she didn't mind him doing that, but she thought it a waste of his money, after all he still had to pay her the extra.

But all in all she likes having a cock in her hand, likes being about to pull the foreskin up and down, likes seeing the hot spunk shooting out all over the place.

In the sauna she just wipes her hands on a tissue after they have ejaculated, but at home she doesn't waste one single bit of my hot spunk. After I have come in her hands she always licks them clean with her tongue and then swallows the stuff down.

Then she told me about this guy who wanted to come all over her face, but she said she wasn't having any of that, even though he did offer to pay her fifty quid. Though she did say that a lot of the other girls in the sauna did that sort of thing, some of them gave oral sex to their customers, and she knows of three girls who actually fuck, actually let the customers stick their cocks into their cunts after they've had a massage. She says all sorts of kinky things go on in that place, and that it is very popular.

Well, if you can get a good fuck, or oral sex there, then I suppose it would be very popular indeed I'm just glad that Janet only goes in for that sort of thing at home. Mind you, I aim to go to the sauna myself, she says there's an eighteen year old girl there who does wonderful things with her mouth. R.P., South London

Dear Editor,

I saw a great blue film in Soho a few days ago, it was at this club in Greek Street. It was the best blue film I'd ever seen in my life, and I've seen quite a few. Mind you, all the films they showed there were good, but this one I'm talking about was exceptional.

It started off with this 18-year-old bird on a huge bed, and she was plunging a great big red dildo in and out of her shaven cunt hole, and the camera was getting some good close-ups of that sticky cunt, and you could see her juices pouring from her hole as she blasted that dildo in and out of herself.

Going by the expression on her face I'd say that she wasn't faking a single thing, and that the orgasms she was hving were genuine.

She fucked with that dildo for quite a while and then she pulled it from her hole, winked at the camera, then she used her tongue and lapped up all her own thick cream from the shaft of that wanking implement.

Then she pulled her cunt lips wide open with her fingers and the camera just about went inside her quim tube to show you what she looked like inside. It was lovely in there, all pink and sticky looking, and I could see her hot juices boiling and bubbling right in the very depths of that very tight looking cunt hole.

She then wanked herself off with her fingers, and after licking her fingers with her tongue, she wanked off with the dildo all over again.

Then two naked men joined her on the bed, and she took one cock in her mouth and another one in

her cunt, and then all three of them went at it like the clappers.

She sucked hard and long at the cock in her mouth, and at the same time the bloke with his cock inside her tight cunt hole was slamming away at the speed of light.

The man in her mouth came first, and at the last moment she pulled his cock out and allowed all his hot sperm to shower out over her lovely face.

Then there were some good shots of that other cock going in and out of her cunt hole. Then the man pulled his cock out and shot his sperm all over her flat belly. The two men then left the room and the girl smiled, she had spunk all over her face and all over her belly. It was a really sexy sight. She then reached down with her left hand and wiped the sperm from her belly, placed her fingers in her mouth and licked them dry. Then she wiped the spunk from her face, and again she placed her sperm covered fingers in her mouth and licked them dry. All the time she was doing this she was having orgasms, and her cunt juices were showering out all over the sheets.

Yes, it was the best blue film I have seen for a very long time. I understand they are still showing it there, so hurry down to Greek Street if you want to see a really good film.

Mr. H.G.,
London SW6

Dear Editor,
A friend of mine makes blue films, and the other day he asked me if I would like to see one being made. I jumped at the chance, and the next day I turned up at his basement studio where the film was being made.

It was all about two women fucking each other. I sat in one corner of the studio and really enjoyed everything that was going on. The two girls were really lovely, and the things they did to each other in front of the camera just had to be seen to be really appreciated.

They started off by kissing each other on the mouth, and they didn't fake the passion of that kiss. Then one of the girls pulled her cunt lips wide open so that the camera would get a good view inside her cunt hole, and then the other girl did the same thing. Then they fucked and screwed and wanked each other off all over the place.

Then my friend asked me if I would like to fuck one of the girls while the camera was rolling, and I was so worked up by it all that I agreed at once, and as soon as I started in on the girl I found that I forgot all about the camera and got on with the job in hand.

The bird was called Judy, she had large tits and she knew everything there was to know about sex. She played with my cock and balls, then she licked my bum with her tongue, then she let me suck her cunt hole out, then she sucked my prick again, and all the time the camera was recording everything we were doing.

Then we got down to the hard stuff, as they say, she sucked my cock till it was really hard, then she got on top of me and settled down on my thick throbbing cock, then she bounced up and down just as hard as she could and my prick went very deep into her cunt hole as she rode up and down.

Then I came, and after the last few drops of spunk had shot from my cock, she rolled off me, sucked my prick dry, then she pulled open her cunt lips and the camera moved in really close to get a good view of all the hot sperm moving about inside her tight pussy hole.

Well, that was my part in the film, and when it was developed I was given a copy, and I must say that I looked very good on the screen. I gather that the film is now showing at one of the many blue film clubs in Soho. If I were you I'd go along and see it, not just for the part I played but for the sight of those two girls making love together. I'm sure that one scene, where they stuffed each other with a double-shafted dildo, will really turn you on. It turned me on. But the part I like the most is right at the end when the girl pulls her cunt lips wide open, for when I look at it I know that it is my sperm which is dribbling out of her very lovely pussy tube.

NEW MOTHER

Dear Editor,

They say there's no greater thrill than when your first-born child arrives, and my wife and I pointed to it like it would be the beginning of a whole new world. We bought ten different kinds of baby bottles, nappies, rattles, the whole bit. I mean, everyone kept telling us how exciting it would be, and by the time the baby was near we just couldn't keep from getting caught up in the idea, sort of the same thing as when Christmas approaches. And sure enough, I was practically pissing in my pants when the nurse told me they were about to bring my newborn son to me for my first look. That was three weeks ago. I'm still pretty blown away by the sight of him, but I just had to come out of the clouds long enough to tell you about some of the side benefits I hadn't expected.

As any of the guys out there who have ever had a kid can tell you, a chicks tits get quite a bit bigger during pregnancy as they swell up with mother's milk. In our case, my wife and I, it was quite a treat, because she's a little on the smallish side in the boobs department. Suddenly she was walking around with these thirty-eights straining at her blouses. It was such a difference that it always seemed as if sh ewere going to pop the buttons right off a la Jayne Mansfield or something. And as I was to find later, the stomach may go down when the baby's born, but the tits stay up there for a good long while.

But the big surprise came for me a few days ago. I was sitting in the lounge reading the paper when I heard my wife calling to me from the bedroom. When I got there I saw she had just finished nursing the baby to sleep. She had this funny grin on her face like she always does when she's up to something, and she called me over to the bed. I walked over and sat on the edge and she says no, come closer, real closer. I leaned over thinking she wanted a kiss or something and she suddenly whips out one of her swollen tits and squeezes a stream of milk smack into my face! I couldn't believe it. I thought the milk wouldn't come out unless the baby was sucking on the nipple, but a moment later

she demonstrated how wrong I was by taking both her tits in her hands and squeezing hard in just the right way, I swear to God, streams of milk came shooting out of her nipples almost a full three feet! She must have had gallons of the stuff inside those melons. She asked me if I would like to be her baby for a while and pulled my face down to one of her tits. I started sucking away, but I wasn't doing it quite right because she had to reach round and squeeze them herself before I felt the milk pouring into my mouth. But after a few minutes of her instruction I was able to suck the milk out myself, and I sucked away until one tit was temporarily dry, then moved over to the other and went to work on it. I was draining the precious fluid out of it when the sex instinct overtook the mother instinct and I felt her hands clamp down on the back of my head, forcing my mouth over the whole of her boob. Then she rolled me over on my back, unbuttoned my shirt and squirted drops of her milk all over my chest. She said, "Now I'll be the baby for a while," and set about licking me clean. I was getting horny as hell, and it was driving me crazy because I knew she was still too sore for fucking. As if to answer my unspoken prayer, she slid her hand under my trousers and started fondling my cock. She says, "And what about me, don't I get any of your milk?"

Each afternoon since then we sit together while she nurses the baby to sleep, then make up a new game us big kids can play with her milk-filled tits. I probably would have thought this was gross if someone had told me about it, but now I rue the day when that milky nectar dries up and her tits go back to normal.

HER GREATEST FILM

Dear Editor,

If, like me, you though that Mary Millington was the best model and sex queen in the world, then you now have your chance to see her in her greatest film ever. A film that until now could not be shown in this country.

The film is called MARY MILLINGTON'S TRUE BLUE CONFESSIONS, and this film contains some of the hottest hard porn material that I've ever had the pleasure of watching. I saw it in Germany where it was given a sneak preview. I work in the film business this is why I was lucky enough to see it. I am given to understand that this film MARY MILLINGTON'S TRUE BLUE CONFESSIONS will shortly be shown in England, and if this is the case then I would advise you to rush out and see it, for it is the best full length hard core film that I have ever seen, and in my line of business I have seen a great many blue films.

As well as Mary, there are a great many other very lovely women in this film, and they spend most of the time stark naked, naked and fucking each other for all they are worth, yes, there are a lot of lesbian scenes in this film, and there are also some very hot hetro scenes, and needless to say, Mary features in most of these hard sex scenes.

There is one scene where she is on a bed with this man, and he has just about the biggest cock I have ever seen in my life, but Mary isn't worried about the size of his cock, no sir, she just opened he mouth, takes it all the way in, and then proceeds to suck it till he comes in her mouth, and you can take it from me that this is the best cock sucking scene ever shown in a film, ever shown in a blue film. There is nothing to beat the way Mary goes to work on that thick cock, and when the man comes, she takes the cock from her mouth and then waves it about all over her face, and the camera moves in real close so that you can see that huge amount of thick looking sperm swimming about all over her features.

Mary dosn't leave it like that of course, she wiped the sperm off with her fingers and then she places her fingers in her mouth and sucks it dry. Of course they may cut this scene when it comes to England, but I hope not, for it is the most perfect exhibition of cock sucking ever shown.

There are so many hot sex scenes in the film that I lost count, and all the other girls in the film are as sexy as hell, and there is one orgy scene in the film which will stay in my memory for a very long time to come.

Don't forget the title of the film, it is called MARY MILLINGTON'S TRUE BLUE CONFESSIONS and I assure you it will cause a sensation when it comes to this country. It features Mary as we all remember her, as a sex queen, doing the things that only Mary could do, doing them with a sense of humour, doing them expertly. Yes, a great sex film, a really brilliant hard core blue film. Do not miss it, I beg of you, for you will never see a film as blue as this as long as you live.

Mr. R.E. London & Frankfurt.

SUPER 8 OR VIDEO

BUY A SLICE OF DANISH HARD CORE PORN – ON FILM
For the first time in Britain, readers are offered REAL HARD CORE DANISH PORNO FILMS. All the films are high quality Super 8mm, they are a little on the expensive side, but you get what you pay for. It is impossible to make and sell genuine hard core films cheaply. You can't for instance buy champagne and caviar cheaply. The films feature, in excellent colour, every conceivable sex act – actual penetration/intercourse, ejaculations, mouth to penis oral sex, in fact the whole gamut of intimate sex acts. These films are sold for home entertainment purposes only and must not be shown publicly for gain – this is a legal requirement to allow us to actually sell these very hard core porn films.
All the films are made by Adventura Films of Denmark – a company with a reputation for the real thing. All the films are FULL 200' and run for approximately 15 minutes.

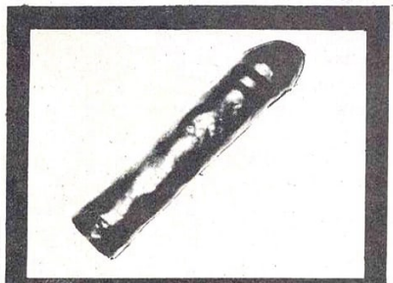
LADY CAN'T SAY NO VIBRATING PENIS



A viciously effective 'whip-hand' stimulator (available in black or white), as favoured by the ladies of the Brazilian aristocracy. Its unique snake-like action mercilessly activates the nerve endings of the vaginal orifice, nerves which are by-passed by the conventional vibrator (which is active only at the tip).
This unique action also stimulates the lubrication duct, and women who 'thought they knew themselves well' report a massive increase in fluid emission, after just a few moments alone with the Vibrating Penis. It is contoured according to the penis of a donkey (which has more pleasure-giving bumps and ridges than the human penis), but is sensibly proportioned at 7½ inches long. Until very recently, the Vibrating Penis was a black market item selling at £10 or more, but we are able to offer this brand new concept in female stimulation at the more reasonable price of £3.99 post free.
AVAILABLE IN BLACK OR WHITE

SEX BOOST CREAM

To be rubbed on the male penis before intercourse and on the female vagina. This cream lubricates AND intensifies the sexual pleasures of intercourse. GUARANTEED TO TURN ON ANY WOMAN, a real passion raiser! Would turn a nun into a nympho! **£3 a jar.**
SPECIAL OFFER: Lady Can't Say No Vibrating Penis AND SEX BOOST CREAM just £6.50.
